# ACCENT ON EXPRESSION

EXPRESSING its freshness by the brilliance of the dawning sun, a new day explodes into a rested world. A million different creatures are aroused and begin their respective lives in their variously expressed ways. Millions of different smells, different sights and all the different aspects of our lives are expressions, each day newly expressed.

The 1962 Imagaga claims as its theme "Accent on Expressions." Expression is defined for our purpose as being "that which expresses a thought, feeling or quality." Since everything we do in life is an expression of thought, feeling or quality, the editors of the Imagaga felt it appropriate to adopt "Expression" for its theme.

Throughout the division pages, the theme has been entwined not only by means of the generality of the section, but also by the physical facial expression.

The Administration-Faculty are represented as our "Stimulation of Expression" as they guide us in the preparation for life. The Student Government expresses the "Leadership" necessary in representing the Student Body throughout the year. Student Life is symbolized as "Freedom of Expression" as this section includes both the academic and social side of campus life, providing a well-rounded program designed to fit every students' needs. The section on Underclassmen is introduced by the thought, "Expression of Development", referring to the constant, unseen growth in freshmen, sophomores, and juniors.

Appropriately, the Senior section is an "Expression of Fulfillment" for the graduating class has reached the highest point in the world of high school and are prepared to take their places in the world. The organization section is an expression of harmony, providing an opportunity for students with similar interests and abilities to work together for the betterment of themselves and the school. The section on Clubs, because they satisfy diversified interests, symbolizes "Self-Expression." "Challenge" seems to be the obvious keynote of the Athletic section. Lastly, warm "Expressions of Confidence" from our Sponsors help to show community interests and make the IMAGAGA possible.

This, then, is our ACCENT ON EXPRESSION. The accents may be varied and the avenues of expression many, but together they make up LaPHS 1962. It is with the hope that we have captured the essential flavor of our school year that we present this book.

# LP District Heads

**SUPERINTENDENT** Glen Wilson prepares some figures on the plan for the Nogales High School, which will open in Sept. 1962 and will be located in the Walnut area. Also he, along with the board, are beginning plans for the fourth high school which will be in the Otterbein area.

**ASSISTANT SUPERINTENDENT-INSTRUCTION:** Robert Schilling is charged with the hiring of teaching personnel and ably heads the district Curriculum Center.

**ASSISTANT SUPERINTENDENT-BUSINESS:** John Hamilton works with Superintendent Wilson in planning the school budget and purchases supplies.

# Undertake Projects for School Needs

CONTINUING a broad program of advancement and expansion, Superintendent Glen Wilson worked harmoniously with the Board of Trustees, headed by President William Morehouse this year.

To accommodate the rising enrollment, the Board concentrated on the building of the new Nogales High School, located in the Walnut area and scheduled to open in September, 1962. They also had the master plan for the fourth high school, to be located in the Otterbein area drawn up and set about determining a site for a high school in the Diamond Bar area.

This year they ordered a closed campus at both LaPHS and Los Altos in order to curb vandals and to curb the nuisance complaint from down town stores. At LaPHS they aired talk about a new gym as its final piece of construction on campus.

To assist the superintendent was Robert Schilling, assistant superintendent in charge of instruction. Stressing the improvement of curriculum development and evaluation was his main project for the year. Other duties included the hiring of certificated personnel, in-service training, co-ordinating the purchase of textbooks and other teaching aids.

To supervise expenses, John Hamilton, assistant conduct of the student body. Counseling boys and figures for the Board to approve. Efficiently drawing up a yearly budget and purchasing school supplies and equipment, he guided the district through a financially balanced year.

**BOARD OF TRUSTEES PRESIDENT:** William Morehouse finds working with other Board members and Mr. Wilson a time-consuming, but challenging task.

**LP DISTRICT BOARD OF TRUSTEES:** Long hours of discussion take place before the final decision on school projects such as the opening of the new Nogales High is made. Meeting includes: Ass't Superintendent J. Hamilton, Miss Bidart, sec.; Superintendent G. Wilson, Mrs. L. Hillenbrand, W. Morehouse, president; J. Rowland, L. Westhoff, M. Pemberton, and Ass't Superintendent R. Schilling.

# LaPHS Principal, Administrators Work Together Supervising School Operation, Curriculum, And Student Activities

**LA PHS PRINCIPAL**, James Faul wisely co-ordinates the efforts of administrators and teaching personnel while developing a modern, up-to-date school plant and curriculum.

**DIRECTOR OF ATTENDANCE and Welfare**, Jack Ingram spends much time interviewing students absent from school, making calls to their homes to verify excuses.

**VICE-PRINCIPAL** Ted Hornstra acts as Student Court adviser as well and counsels those boys who need guidance and admonishes them about good citizenship traits.

LA PUENTE HIGH SCHOOL, under the experienced eye of Principal James Faul, assumed its role not only as the oldest district high school, but also one equally dedicated to the task of giving its students a well-rounded curriculum. By combining forces with the Superintendent and his assistant, Principal Faul was able to fulfill this ideal of a new and modern curriculum with the help of his administrators and personnel.

New in his position as Vice-Principal, Ted Hornstra accepted his obligations with enthusiasm and authority. Among his many time-consuming duties was the supervision of assemblies and the proper conduct of the student body. Counseling boys and advising the Student Court were also on his schedule.

During Mrs. Ernestine Schnuelle's absence in the first semester, Miss Hazel Briathwaite, with the aid of Miss Ruth Leger, became Girls' Vice-Principal and fulfilled her duties of cautioning the girls on their conduct and dress, sponsored Girls' League activities, and advised the Tilliquettes, girls' service honorary at LaPHS.

Director of Attendance and Welfare, Jack Ingram kept the attendance records of every student on campus. Besides verifying excuses by making home calls, he provided teachers for those unable to attend regular classes and issued work permits.

Gordon Kean, director of Student Activities, worked with the Leadership class to carry on the functions of the ASB. He also compiled the co-curricular calendar and co-ordinated club affairs and supervised the publishing of the Smoke Signals.

**GIRLS' VICE-PRINCIPAL**, Mrs. Ernestine Schnuelle, having returned from a leave of absence is clued about girls' activities by Miss Ruth Leger, counselor and assistant.

**GIRLS' VICE-PRINCIPAL** for the first semester, Miss Hazel Braithwaite is Girls' League adviser and has the welfare of every girl in mind when advising them.

**DIRECTOR OF STUDENT ACTIVITIES**, Gordon Kean, who advises the ASB and its affairs, also has charge of the co-curricular schedule and publishes the Handbook.

# Personnel Promote

"PROFICIENT" and "Business-like" are words that describe the LP district and high school non-certificated personnel — the secretaries, bookkeepers, clerks, without whom the district and school could not have been run smoothly.

Miss Catherine Bidart, as secretary to the District Superintendent for 26 years, also acted as the Board secretary and ran her office with ease. Miss Ruth Reddick, as Secretary to the Assistant Superintendent-Business, made out requisitions and reports and typed the budget. Mrs. Gabrielle Pavelko, Curriculum Center secretary and her assistant, Mrs. Pat Whalen, catalogued texts and filmstrips.

District Bookkeeper, Mrs. Lucia Robertson, was accountable for the payrolls and federal and state tax and insurance deductions. Among her assistants were Mrs. Nina Flood, machine operator; Mrs. Anna Harrison, accounts payable clerk, and Mrs. Brenda Young, who managed cafeteria accounts and Mrs. Martha Turvey, district Student Body Bookkeeper.

Mrs. Dallene, receptionist, typed out reports while Mrs. Mary Smith, typist-clerk, typed LP data.

Mrs. Opal Hathcock, secretary to Principal Faul, also assisted the vice-principals and was the official school hostess. She supervised the "front office" with the help of Mrs. Sharon Van Gundy, receptionist and switchboard supervisor, and Mrs. Fern Chaney, cashier and typist.

Other indispensable and experienced LaPHS secretaries included: Mrs. Betty Harvey, Guidance, who aided the counselors; Miss Betty Barnett, Attendance, and her assistant, Mrs. Margaret Cummings, who kept accurate records; and Mrs. Justine Parnell, Audio-Visual and Textbooks, who also scheduled Driver Ed.

**SECRETARY** to Principal James Faul, Mrs. Opal Hathcock.

**LA PHS RECEPTIONIST**, Mrs. Sharon Van Gundy, Principal's Office Clerk, Mrs. Fern Chaney, and ASB Bookkeeper, Mrs. Martha Turvey.

**SECRETARY** to Guidance Director, Mrs. Elizabeth Harvey.

**ATTENDANCE** Secretary, Miss Betty Barnett.

**AUDIO-VISUAL** and Textbook Secretary, Mrs. Justine Parnell.

# Smooth Operation

**MACHINE** Operator, Mrs. Nina Flood and Payroll Clerk-Cafeteria Bookkeeper, Mrs. Brenda Young.

**SECRETARY** to Superintendent Glen Wilson, Miss Catherine Bidart.

**ATTENDANCE ASSISTANT**, Mrs. Margaret Cummings and her student aide.

**DISTRICT TYPIST**, Mrs. Mary Smith, District Textbook Clerk, and Receptionist, Mrs. Dollene Careis at the new Offset press.

**SECRETARY** to Assistant Superintendent, Business, Miss Ruth Reddick.

**DISTRICT** Accountant, Mrs. Lucia Robertson.

**SECRETARY** to Assistant Superintendent, Business, Mrs. Gabrielle Pavelko.

# Understanding Counselors Wisely Advise

**DIRECTOR OF GUIDANCE**, Patrick Mauch, keeps in mind his responsibilities as he tests classes, personally counsels students, and advises his counseling staff.

AS SUPERVISOR of an understanding team of counselors, Patrick Mauch, director of Guidance at LaPHS saw to it that guidance services were properly administered to students and faculty alike.

It was his job to schedule orientation for incoming eighth graders, their pre-registration and that of all LaPHS students. Counseling was freely given on high school courses, occupational opportunities, military service, personal problems, and much-needed scholarships.

His six assistants were sympathetic, helpful, and above all interested in their work with students. Mrs. Helen DeSimone gave assistance to special groups and helped seniors find worthwhile jobs. John Kramar, co-ordinator of the "PR" Program, counseled his charges with expert academic knowledge.

Confused but eager freshmen were given confidence by Miss Ruth Leger, who also kept all interested seniors up-to-date on scholarship data. Patrick Powell steered veteran sophomores through a maze of varied choices of all-important classes. Eleventh graders accepted the helping hand of Mel Harrison to lead them through the year and start them off right in their senior year. The all-important senior year was in the hands of William Sandison, military adviser and college counselor who counseled them wisely.

**SCHOLARSHIPS** are maintained only by those who are willing to work for them! declares Miss Ruth Leger, counselor, to senior Marge Millsap.

**HELPING** and advising seniors so that they may solve their never-ending scholastic problems that will determine their future is William Sandison.

# Students on Problems, Courses, Careers

"DO you feel satisfied with your schedule?", inquires counselor Mel Harrison to Senior Patti Martinez as they talk over the subjects she has chosen.

**PICKING** another card from the program files, counselor Patrick Powell wonders how he can help this sophomore, while Janet Powell corrects tests.

**LA PHS COUNSELORS:** Patrick Powell, William Sandison, Mrs. Helen DeSimone, Pat Mauch, Miss Ruth Leger, Jack Kramar, and Melvin Harrison meet once a month to talk over many scholastic problems and high school adjustments important to every student from incoming frosh to graduating seniors.

# Hard-Working Faculty

WHENEVER the word "school master" is heard, one usually associates its meaning with that of those stern "instructors" so vividly described in tales of folk lore. A grave, tight-laced man instantly comes to mind with his strong ruler and long, much-feared switch. He is a mean, callous creature with a horrible temper, and he derives sinister joy out of working students to death. Above all, he couldn't possibly be human.

Such are the first impressions imprinted on the minds of in-coming students, but in reality teachers are actually human beings. After a day's work they are often tired and they enjoy relaxation and entertainment. They are friendly, congenial and always willing to help a student with his problems.

To a teacher, furthering his education is of uppermost importance. He is constantly learning and his tedious work seems never to cease. He must try to

# Teach Reason, Responsibility to Students

inspire his students because many tend to be influenced.

A teacher can make or break a subject. Out of the classroom he may have his good and bad points, problems, and disagreements, but when he is in front of the classroom, he must show himself to be a superior person. He must command the respect and admiration of his students and he must be able to set a good example to his students. Thus, he must have high moral standards and strong character. His job is not easy because it taxes his mental and physical strength.

The teacher enjoys his profession and his joy is in the knowledge that he is able to impart to his students a gift beyond price. His role in life is indeed one of great significance. For the teacher is human, but he is also a very special human.

# Interests, Activities

"READIN', 'RITIN' AND 'RITHMATIC,'" are often put aside by the LaPHS faculty members for outside interests. They find many varied events from world-wide traveling as done by Hans Trepp, to Mrs. Ernestine Schnuelle and James Kenney, just to name a few, who have become parents. "Just plair fishin'" is enjoyed by George Van Zant, John Wolfe, Harold Crawford, Clyde Davies, and Neil Foley, whereas "Spearfishing" is practiced by William Ottaway. Taking part in and contributing their time to church and youth organizations are teachers Eugene Silagy, John Kramar, Rebeca Marti, Frank Samuels, and Mrs. Ruby Rhea. Gardening is a favorite hobby of Patrick Powell, Douglas Mabus, Maurice Kennedy, and Miss Ruth Ledger. Interested in advanced study are Mrs. Carol Horowitz and Mrs. Sarajane Ericksen and Gordon Kean studying for their Ph.D.'s

Almost all of the faculty belongs to some professional group or honor society as do Mrs. Kathleen Jorgenson, Miss Ruth Leger, and Mrs. Juanita Smith to Delta Kappa Gamma. Reading and writing has proved to be extremely popular among teachers Mel Harrison, James Calloway, Dan Richard, Bill Sandison, and Mrs. Treacy Carpenter.

Among these hobbies and activities mentioned, are sports, photography, painting and carpentry work enjoyed by the faculty. The most important and outstanding interest of all is the family and friends of each faculty member.

## Functions as Well as Professional Ones

A FULL, all inclusive agenda for the year! That was the aim of Frank Wagnon, LaPHS Faculty Club president. But Faculty members would participate not only professionally but also socially. This they did with added zest.

Early in the year before school opened, accompanied by Roy Wilks, he attended the annual teachers' conference at Camp Seely where they discussed with other officers important problems and possible solutions affecting the education of youth in California and also were inspired to work out an interesting agenda for the club.

Teacher committees reported to the group on the expanding role of the teacher in legislative activity, federal aid to education, and growth problems in California schools. Headed by Roy Eisenbise, the Salary Committee in conjunction with Los Altos, sent recommendations to the Board concerning the possible merit plan as well as the continuation of salary increases. The Scholarship Committee, with John Kramar as chairman, again awarded a \$300 scholarship to a senior intending to become a teacher.

Socially teachers met to relax and have fun at the pre-school Barbecue and Tea for new teachers. Some still continued to golf and dance for recreation. Members' children found Santa in a jovial mood at the Christmas Party. When the end of the year rolled around, all members and their families trekked to San Dimas Park for an afternoon full of gaiety, sports, and good food, picnic-style.

**FACULTY CLUB PRESIDENT:** Frank Wagnon, fully aware of the many problems confronting his colleagues, strives to get everyone working toward the same goals.

**AS** an added precaution against deadly TB, students of LaPHS undergo free TB X-Ray tests, as does senior Judy Smith.

**ADMIRING** a new addition to the La Puente High School audio-visual department, a new improved opaque overhead projector is Mr. Robert Jenkins, Department head.

## School Nurse, Librarian, A-V Head Offer

**LA PUENTE'S** trained school nurse, Mrs. Betty Stevens, carefully examines TB X-Ray applications for students on campus as she fulfills one of her many tasks.

**ABSOLUTELY** essential! That was the term that applied to three people at LaPHS who have devoted time and energy to serving both faculty and students alike.

During the school year Mrs. Betty Stevens, LP nurse, was a constant source of help to those who felt ill or had to have emergency treatment. Besides supervising student vision screening and hearing tests, she worked with the County health officers giving the Mantoux test and scheduled more than 1500 students having X-Rays taken of the chest after two cases of TB were brought to light among the seniors.

Robert Jenkins headed the Audio-Visual Department. In addition to arranging for the rental and scheduling of classroom films, slides, filmstrips, and tapes, he prepared tape-recording duplications for the English and Foreign Language Departments for use in the new labs.

The new librarian, Mrs. Ruby Rhea, assisted by Mrs. Elsa Ostling, gave the library a face-lifting. She re-arranged the library, placing all reference material closer together and issued library cards to students checking out books. She helped students make more efficient use of the library and organized a Library Club for those interested in becoming a librarian. Stringent rules against loud talking in the library were enforced, making it a quiet study.

Without the assistance of such well-trained administrators, La Puente High students could not have functioned so effectively.

**EXAMINING** La Puente's new transparency maker, used in connection with new overhead projector, are audio-visual director, R. Jenkins and student aide.

**QUIETLY**, but efficiently getting all books processed and classified, Mrs. Ruby Rhea, LP librarian firmly resolves to make the library a place for study.

## Indispensable Help to La PHS Students

**ALWAYS** ready with a suggestion about the kind of book to read, Mrs. Elsa Ostling, library assistant and her student helper, Sheryle, Anderson, cheerfully check out a required book on which to make a book report to a shy freshman boy who spends the period looking over many a fiction and non-fiction book on shelves.

# Snacketeria Prepares Well-balanced Meals

**SNACKETERIA MANAGER**, Mrs. Eleanor Biehahn works with her experienced staff in preparing the excellent meals and snacks enjoyed by LaPHS students.

BUSIEST place on campus at noon? Yes, of course, it's the LaPHS Snacketeria where, because of closed campus nearly 2,000 hungry students and faculty congregated to fill their stomachs with nutritious, appetizing food during two lunches.

Snacketeria Manager, Mrs. Eleanor Biehahn, and her staff of 10 prepared an average of 360 hot plates per day, some 360 hamburgers, and hundreds of sandwiches such as poor-boys, egg salad, tuna, barbecued beef, and hot dogs, and 450 cartons of milk. Over 2,500 small malts and 1,500 large malts were sold each month. New among the hot sandwiches were roast beef and pastrami. Also on the menu for those students and faculty members called weight-watchers were tasty and colorful salad plates.

During the first part of the year the lines were long and never-ending, so much so that some students never got their meals till it was time to go to class, and so went hungry. Even the faculty complained that they too had to wait in line too long to enjoy a leisurely lunch, since the lunch hour was shortened this year. Soon all this was a thing of the past as the efficient snacketeria staff streamlined service and students moved along fast.

From early those cold mornings in the winter when steaming hot chocolate and donuts were served till after the second lunch, everyone who was served was always sure of a smile and service.

**SNACKETERIA ASSISTANTS:** BOTTOM ROW: E. Crawford, M. Howard, C. Edmunds, M. Lowe. SECOND ROW: J. Milanesio, M. Alzugaray, M. Welsh, B. Blackwill, F. Donahue.

"HAMBURGER, fritos and malt, please!" are familiar words heard by efficient helpers serving lunches to hungry students.

**WIGWAM: MULTI-PURPOSE MECCA:** Besides serving as a recreation center and haven from cold and rain before school and during lunch hours, The Student Union is also used for Guidance-sponsored class testing such as the battery of tests given annually to all Freshmen during November.

## Wigwam, Student Store Benefit Students

EVERY campus has a student center — a place where students can gather to see their friends, discuss plans, or attend club meetings. At LaPHS this is called the Wigwam, according to Indian tradition.

Built four years ago, it has been in constant use since it opened its doors. After-game dances, or Formals, testing or PTA meetings — whatever affair might be — decorations galore and crowds pour in and out! This year the Student Body added a glassed-in bulletin-board to the west wall; plans also called for an interior paint job; class banners donned the bare walls near the trophy cases; the huge Warrior mural stood behind the snack bar. Latest plans that were made for improvement included: the patio around which was a seven-foot brick wall, a barbecue pit as well as a luau pit, to say nothing of the beautiful trees and tropical plants shading the rounded benches and chaises.

Near the Wigwam stands another equally useful structure — the Student Store, supervised by Kenneth Jones, Distributive Ed instructor. It provided for all of the students' school supplies — at most reasonable prices — notebooks, pencils, pens, paper, gym clothing, shoes, book covers.

Student Managers from Distributive Ed Classes assisted Mr. Jones and learned how to order, sell, and display articles for sale. In so doing, they also learned how to keep books accurately.

"**COUNT** em by the dozen!" states Student Store Head Jones to student managers Nancy Reid, taking inventory while Bunny Meekhof counts daily sales.

# LP Maintenance Crew Works To Keep

**BUS DRIVERS:** BOTTOM ROW: W. Bullard, H. Stamy, H. Batloan, J. Miller, C. Barbour. SECOND ROW: H. Burton, S. LeGrous, L. Gardner, V. Cole, E. Haloran.

**JOHN BARBER**, transportation foreman, makes sure students arrive and leave school safely and on time every day.

**CONSTANT** supplies of fresh towels are provided for gym classes through the efforts of R. Nulsen, D. Heiland, and R. Arellano.

**RAY O'NEIL**, warehouse attendant, keeps close tab on all instructional, operational, and cafeteria supplies that are ordered from the LP warehouse.

**FIXING** tires is just one of the many jobs that C. Collier and J. Flores encounter in keeping the fleet of more than 10 buses in tiptop operating condition.

# Campus Functioning

BEAUTIFUL, clean surroundings are most conducive to one's mental outlook and good study habits. They help to combat boredom and fatigue. And, who is responsible for keeping the LaPHS buildings and campus beautiful and clean? The Maintenance Department, of course, under the watchful eye of Carl Lidman, head, who supervised his staff skillfully.

Without the exact timing of John Barber, transportation head, and his drivers, the district buses would not have been able to keep on schedule and get LaPHS students to school on time.

The custodial staff, under the direction of William King, likewise, saw to it that the class rooms, rest rooms, offices, and corridors sparkled with cleanliness. In addition, the district ran its own laundry, which was charged with washing P.E. towels and athletic uniforms, and maintained its own painter who kept interiors and exteriors looking like new.

Students, looking with pride out of classroom windows and doors or walking down corridors, appreciated the neatly clipped lawns and vari-colored flowers and green shrubs on campus which Stewart Mertz and his assistants carefully planted to improve the landscaping of the LaPHS campus.

Luther Winkler, in charge of ordering school supplies, worked with warehouse attendant, Ray O'Neil, in checking all requisitions.

**CARL LIDMAN**, head of maintenance, does fine job in keeping all functions working properly and sufficiently for the convenience of all who attend LaPHS.

**WILLIAM KING**, Head Custodian at LaPHS, sees to it that classrooms and offices are kept clean with the aid of his staff.

**CUSTODIANS:** BOTTOM ROW: L. Dawson, C. Gonzales, P. Chavez, J. Gonzales, N. Barnett, M. Long, A. Huey, T. Braunwalder, A. Vargas, B. King, M. Robles, T. Zuniga.

**ASB TREASURER**, Kathi Watanabe capably fulfills her duties by keeping the ASB financial records and organizing student body card sales.

# Display Leadership

BOARD meetings geared to cover all matters concerning the student body and its welfare were competently presided over by Craig Ross, ASB president. In assuming his position of responsibility, Craig upheld the traditionally high standards of the La Puente High School Associated Student Body.

Vice-president Bud, "Okie", Garvin planned and executed many pleasurable and worth-while assemblies for La Puente students.

As ASB Secretary, Karen Larson kept a record of all meetings of the ASB Board and gave a record of the meetings to the Tomahawk.

Kathy, "Sach", Watanabe, treasurer, kept the financial affairs of the ASB in order and capably supervised the sale of Student Body Cards at the beginning of the first semester.

As a team, this group of outstanding students worked to complete the campus still further by spurring the buildings of the beautiful new patio area located in back of the Wigwam. They also worked hand-in-hand with the La Puente Chapter of the American Field Service in planning and executing fund-raising programs in order to bring more exchange students to La Puente and to send out exchange students to other lands.

These democratically elected Warrior officers worked efficiently together to obtain the passage of various bills and measures which were considered advantageous for the LaPHS student body.

**ASB SECRETARY**, Karen Larson, keeps correct minutes at all student body board meetings and takes care of all necessary correspondence.

**ASB PRESIDENT** Craig Ross, capable in every respect of his classmates confidence, sees that the Student Body functions smoothly and coordinates all ASB branches.

**ASB VICE-PRESIDENT**, Bud Garvin, cheerfully devotes much time and energy as he carries out the many important duties of his Student Body Office.

## A S B Cabinet of Six

DESIGNED to give the students a fair and capable government, the two executive branches of the student body government, the ASB Cabinet and the Board worked in close harmony to smooth out school problems and keep the school problems under control.

The ASB Cabinet, made up of the six secretaries appointed by Craig Ross, had separate jobs to do. Secretary of Social Affairs, Peggy Kennedy, issued club activity cards and scheduled club events. Secretary of Pep, Jean Bovee, was in charge of Pep rallies. Secretary of Awards, Richard Cordes, awarded school letters to all deserving lettermen. Secretary of Publicity and Welfare, Mike Vasquez, kept the bulletin board in front of the school up-to-date, and informed newspapers on school events. Secretary of Finance, Vicki Weil, served as an understudy for the ASB treasurer. Linda Koenigseder, Secretary of Records and Alumni, was in charge of homecoming and keeping record of club officers' grades.

The ASB Cabinet had an important job to do in keeping the ASB functioning smoothly, but just as important in school management was the ASB Board, composed of the class prexys, the ASB officers, the GL President, the student court judge. These ten people had an important responsibility to their school. Governed by Craig Ross, ASB Prexy, the board tried to meet problems that arose.

The main job of the board was passing bills. Every bill had to go through the Board to be considered and then either passed or vetoed. These two branches of student body government had much to do with the efficient working of the ASB.

# LaPHS Student Court Maintains Order

"WILL THE COURT please come to order?" was the familiar command heard, when Judge Al Rumpilla called the student court together for its weekly meeting.

It was up to the court to decide if a student was innocent or guilty, if guilty it was then up to the court to decide on a fair and just punishment.

The Court Bailiff, Vernon Browne, took charge of calling up the students as they were to appear, and keeping them in order. Keeping the minutes and records of the court proceedings, was the duty of Court Clerk, Marge Millsap. Sitting in on the weekly sessions of the Student Court was Ted Hornstra, adviser, to make sure that all trials were impartial.

Students are given citations for smoking, unruly conduct, jaywalking, defacing school property, improper boy-girl relations, improper dress, infractions of closed campus rules, infraction of parking lot rules and over due books. They were then given a choice of trial by judge or trial by jury.

The jury was made up of two representatives from each class. Representing the freshmen were Chuck Edwards and Nyla McIntyre; Sophomores, Kathy Quigley and Harold McIntyre; Juniors, Carol Ivie and Carol Goodin; Seniors, Marge Millsap and Vernon Browne.

The goals set by the court brought students the meaning of respect and responsibility to their school and community.

## Students Work With A S B In Council

THROUGH the combined efforts of the members of the Student Council, the LaPHS campus was vastly improved. At a designated time representatives from second period classes met to discuss school problems.

Early in the year they elected the following officers under the direction of Bud Garvin, ASB veep: Craig Samples, vice-president, whose duty it was to work with Bud on the activities and take over if the president was absent; Lynn Kurtek, secretary, who kept accurate minutes of the group discussions and took care of any correspondence that arose; Herbert Dryar, sergeant-at-arms, who maintained order.

In order to promote school loyalty and pride, the Council offered a "Spirit Cup" to the class which best supported all the assemblies, the pep rallies, football, basketball and baseball games, as well as track and other spring sports. Averaged in also were points given to the class with highest scholastic record at the end of the year.

The Student Council was also responsible for other services. They suggested that the class banners be hung in the Wigwam for all to see, with the 1962 class banner having the place of honor. Members also brought in ideas for possible landscaping for the new Wigwam patio. Most talked-about was the action taken concerning clean campus, which was a constant problem and resulted in a long schedule.

**A VERSATILE** Bud Garvin fulfills another one of his many duties as ASB vice-president as he presides over the Student Council, acting on their suggestions.

# La PHS Girls' League

"FRIENDSHIP—the middle name of the Girls' League was the watch-word of the 1961-'62 La Puente High Girls' League," declared Melanie Workman, GL prexy.

Together with her other officers, Melanie aimed to include as many girls as possible in the variety of Girls' League affairs. She was aided by interested sponsors, Miss Hazel Braithwaite and Mrs. Georgia Dells, who substituted for Mrs. Ernestine Schnuelle, on leave of absence for the first semester.

Ellie Harrell, in her capacity as GL veep, prepared entertaining assemblies for the girls each month. Included was an introduction to Girls' League, a Fashion Show, and a formal installation.

GL secretary, Chris Gallego, proved herself an asset to the organization by keeping accurate minutes, by writing notes of appreciation and by sending birthday cards to members.

GL treasurer, Carol Moretta, kept a financial record of all sales, dinners, and programs, while Pat Rivenburg defined her job of historian as one of looking after the "welfare" of the GL scrapbook, buying supplies, and keeping the "Memory-book."

The adoption of the foster Korean girl who lived in poverty with her mother and other sisters proved to be a unifying factor in the Girls' League. Everyone joined in contributing pennies for her in the Drive and other fund-raising events.

Other highlights of the year included the GL "Date with Dad," entitled "A Night in Naples," which took place in a restaurant atmosphere, and the annual Mother-Daughter Banquet in the spring.

## Seven Committees Supply Opportunities

**MYUNG HI NO**, nine-year-old Korean girl who was left an orphan by the war, was adopted and supported by the willing members of LaPHS Girls' League.

"SUPPORT your Girls' League" was the main slogan of every girl who worked on one of the eight GL committees at LaPHS. Members of these groups put in many extra hours working toward the betterment of their Girls' League and the school. The numerous committees functioned separately and together to create various activities which provided wholesome entertainment all year for every member of the Girls' League.

Kathy Richardson and her competent Standard Dress Committee maintained proper dress and conduct among girl students. The Vodvil Committee, headed by Mary Musecamp, planned "Confetti," the 40th annual vodvil, and presented it to the school.

Making sure that all GL events were well publicized, the Public Relations Committee, with Marie Wilson at the head, made posters, bulletins, and informed the school of coming GL functions. Raising money for the two scholarships given at the end of the year was the responsibility of Lynda Brasuell and Cathy McCullah and their committee.

Adopting Myung Hi No, a 10-year-old girl from Korea, was the most important project of the Welfare Committee, with Pat Chaney, chairman. Sharon Blackwill and her Decorations Committee worked for many events planned by the Social Committee, having Karen Larson and Marge Millsap as co-chairmen.

Kathy Blake became chairman of the Ticket-selling Committee, formed for the first time this past year, which sold hundreds of tickets to GL affairs.

**GOING** over last minute plans for the GL Vodvil "Confetti" is the Vodvil committee consisting of Kay Harrell and Shirley Campbell, and Mary Musecamp, head.

# Nine Deserving LP Girls Are Honored

**UGH** — I mean, Mmmmmm, what delicious cooking! states Melanie Workman as she bravely tries out Chef Lucy Prado's cookies during the Girls' League Assembly.

GIRLS who excelled in various fields of endeavor were honored each month by recognition from the entire Girls' League at their monthly assemblies.

In October, the girls picked the girl who they felt was the most congenial when they named Patty Martinez as "Miss Friendship." November appeared with football season in full swing and the need of someone to organize the crowd's enthusiasm into a volatile explosion that would encourage the grid team. This time the girls chose Nancy Reid, head varsity cheerleader as "Miss School Spirit." December, the happy month, was ushered in by the melodious strains sung by Diane Allen who was "Miss Talent."

The talent of the modern girl in excelling in the domestic arts was apparent through many fine homemakers at LaPHS. Supreme among these was Lynn Kurtek, as "Miss Homemaker," chosen by the girls in January. "Miss Poise," Myrna Browne, was selected in February because of her obvious good manners and excellent way of carrying herself.

World Fellowship or service to community, nation and the world were best exemplified through Nellie Paulsen, LaPHS foreign exchange student from Holland, as "Miss World Fellowship." Additional Girls of the Month were "Miss Well-Groomed," in April, and "Miss Sportswoman" in May. The very special title, "Miss Girls' League," was presented in June to the girl who had most served the Girls' League.

**"MISS FRIENDSHIP"** is indeed the perfect title for senior, Patty Martinez who greets everyone on campus with a smile.

**"MISS SCHOOL SPIRIT"** is the obvious title for Head Varsity Cheerleader, Nancy Reid, who passes liveliness on to everyone.

# With Much Coveted Girls' League Titles

**"MISS TALENT"** is the well-earned title given to petite Diane Allen because of her exceptional acting and singing abilities.

**"MISS HOMEMAKER"** is the unique title given to happy-go-lucky Lynn Kurtek who is quite worthy of such a great honor.

**"MISS POISE"** is the coveted title given to charming Myrna Browne who catches everyone's eye because of her refinement.

**"MISS WORLD FELLOWSHIP"** is the title given to Foreign Exchange Student, Nellie Paulsen for extending a friendly hand to all.

## Frosh Pay Tribute To 'Orange And Black'

**INSPIRED** by the expert advice of Joseph Green and Clifford Wolfe, class advisers, the members of the Freshman Class easily adjust to life at La Puente High.

"WHAT a huge school," exclaimed nearly 700 wide-eyed freshmen as they gathered on the La Puente High School campus for the annual Frosh Day Orientation. While getting their registration cards and becoming familiar with new classmates and strange surroundings, they roamed around in general confusion.

Before long, though, these eager newcomers became participating members of the school by joining clubs, playing on athletic teams, and attending pep rallies. At the "Frosh Frolic" and GAA Mixer, annually sponsored to help frosh girls get acquainted, many "babies" showed up to join in the hilarity and walk off with prizes.

In their required class in World Geography, all freshmen also learned about the lives and customs of people from other lands. Some, in preparation for the "PR" Program, took Pre-Algebra.

Early in the year Chuck Kurtek was chosen to lead the Class of '65 when they elected him to the presidency. Along with the support of their class advisers, he and his officers carefully planned their after-game dance, entitled "Goblin Gallop" on Hallowe'en. The proceeds from the dance were used to buy their unique class banner designed in class colors.

Thus ended their first year at LaPHS where for the next three years they would work and play.

## Spirited Sophs Move Toward Maturity,

**SYMPATHETIC** class advisers John Kramar and Clyde Davies urge all interested members of the Sophomore Class to participate in both class and school events.

GAY and alert, more than 500 sophomores swarmed back to school last fall ready for more responsibilities after a restful summer's vacation.

Spurred on by their friendly president, Dick Bernier and his willing group of officers — Kathy Quigley, veep; Sandra Parent, secretary, and Olga del Toro, treasurer, they proceeded to gallop headlong into campus functions. They went to dances, took part in school plays, in club affairs, and as avid Warrior fans, they could be seen cheering themselves hoarse at football and basketball games. In sports many likewise stood out as superior in team play and sportsmanship.

Those sophomores, motivated to attain high scholastic goals, were accepted into the Puente Recommended Program of accelerated study. All members of the class took the State Requirements Course also. Most of them continued with Behind-The-Wheel driving as well. In all their affairs they found their advisers, Clyde Davies and John Kramar most helpful.

As a class, they worked together, selling cokes, candy, and gum at all home basketball games, and used good judgment when choosing their class ring, which they received in early February.

Bent on self-expression in one way or another, the youthful group of wise sophomores saw the year speed by and found themselves on the threshold of becoming dependable upperclassmen.

## Buoyant Juniors Become Upperclassmen

**SPARKED** by the wise counsel of Mrs. Helen DeSimone and Frank Wagon, class advisers, the juniors participate in another rewarding and fruitful year.

**UPPERCLASSMEN** at last! was the thought ringing through the minds of some 400 excited juniors when they once again returned to LaPHS last fall.

Encouraged by their capable advisers, Frank Wagon and Mrs. Helen DeSimone, the dynamic Junior Class strove to achieve the excellence demanded of upperclassmen in school work.

Some juniors, seeking scholastic achievement, continued in the accelerated "PR" Program; others, searching for practical ways of becoming leaders, held offices in numerous school clubs. Many junior boys showed their athletic ability by practicing hard to become members of various athletic teams.

In October junior Larry Barnes was honored when he was chosen as an AFS candidate from LaPHS.

Under the friendly leadership of their congenial president, Rudy O'Claray, members of the Junior Class eagerly undertook their first activity and energetically sold programs at the football games to help finance the Junior-Senior Prom.

In the fall they also displayed collectively an expression of great pride when their long-awaited beige and brown sweaters arrived.

Second semester found them settling down to some serious work planning for their future vocations after taking the Kuder Test. Socially their work was cut out for them as they planned their annual Prom and fashioned the traditional Daisy Chain as a lasting, final tribute to the Seniors.

# Service ... Citizenship- La PHS HALL

**HOME** from New Zealand after eight months down under on a sheep station belonging to the Jonstones, Willa Boyer greets her mother with open arms.

WILLA BOYER, soft-spoken AFS Exchange student to New Zealand, Homecoming Queen, and Tomahawk editor, was chosen the most outstanding senior girl. She was named to the 1962 LaPHS HALL OF FAME because of her incomparable record of service, scholarship, citizenship, and popularity.

This blond, smiling miss was a member of the "PR" Program, winning Honor in Speech and Research and the Bank of America Certificate in English and the Gold Cup in Liberal Arts. A CSF Life Member, Willa served as its veep and as Tilliquette secretary too.

Though much of her time was taken up with her editorial duties of the Tomahawk, she devoted time to being on the Campus Christians Champ Quiz Team and a member of the Publications Club and Quill and Scroll, and the GAA.

The daughter of Mr. and Mrs. Will Boyer of Walnut, Willa plans to become a writer in the biological sciences.

**WILLA BOYER, OUTSTANDING SENIOR GIRL**

# OF FAME - Scholarship ... Popularity

TOM HUGHES, good-natured LaPHS representative to Boys' State last year and the Bausch-Lomb Science Medal winner, was chosen the most outstanding senior boy. He was named to the 1962 LaPHS HALL OF FAME because of his enviable record of service, scholarship, citizenship, and popularity.

This blond, shy teenager was a member of the "PR" Program, having served as its Student Chairman. He also received the Bank of America Certificate in Lab Science and the Gold Cup in Math-Science, and was named semi-finalist in the Edison Scholarship.

Tom, a CSF life member, served as its president and was secretary of the Key Club this year. In addition to his PR duties, he was a member of the Fizzmatics Club and AFS Student Committee.

The son of Mr. and Mrs. Paul Hughes of La Puente, Tom plans to attend UCLA where he will enter the field of engineering as his life work.

SCIENCE Department head, Keith Washburn congratulates Tom Hughes after receives the Bausch-Lomb Science medal for top-rated work in this field.

# Trophies To Eleven Prominent Seniors

ELEVEN LaPHS seniors were honored for outstanding achievement when they were named winners of the annual Bank of America Achievement awards.

Chosen by the school administration and faculty for their exceptional performance in specific fields of work, for their qualities of leadership and for their future promise, these students received certificates and trophies at graduation. Trophy winners were able to continue in the zone competition in April in an attempt to capture the zone award. Prominent community leaders selected the best qualified students and these finalists were carefully interviewed and screened. The victors emerging from this May competition obtained awards as high as \$1,000.

The LaPHS seniors who received trophies included Tom Hughes, in Science and Mathematics; Willa Boyer, in Liberal Arts; Jean Bovee, in Fine Arts; and Kathleen Richardson in Vocational Arts.

The certificate winners included: Tom Hughes, Mathematics; Dana Trout, Laboratory Science; Willa Boyer, English; Walter La Coste, Social Studies; Rosalie Villa, Foreign Language; Jean Bovee, Music; Joyce Schaub, Home Economics; Charles Nunmaker, Agriculture; Kathleen Richardson, Business; Fred Brigham, Trade and Industry; and Karen Horst, Art.

**GIRLS' LEAGUE** Social chairman Marge Millsap was named one of the four winners from the 175 schools vying for the Southern California GL Advisors' scholarship.

# LP Leaders Attend Boys', Girls' State

**GIRLS' STATE** representative, Kathy Watanabe, takes charge of "putting out tempers" as Fire Chief of Vallejo City as she participates in the events at Davis campus.

EXCITING as well as educational and worthwhile was the report from Kathy Watanabe and Tom Hughes concerning the action-packed week they spent during last summer as Girls' and Boys' State representatives from La Puente High School.

Exceptional leadership abilities, dependability, scholastic standing and service to the school were the deciding factors in choosing these students as representatives.

Kathy, who served as ASB treasurer, Fizzmatics secretary, and was a "PR" student, went to the University of California at Davis during the week of June 24 where she served a term as Fire Chief of Vallejo in charge of "putting out bad tempers" and being a member of the Election Board during all elections. "Sach" exclaimed, "A group and an experience which I will always remember."

Tom Hughes, CSF prexy and "PR" member, and Key Club secretary, spent his week of June 16 at the California State Fairgrounds in Sacramento. Tom passed the bar exam to become an attorney and served on the election board as a judge during city and county elections. He was also appointed to a minor office by the governor.

Representatives from all State high schools are supported annually by the American Legion and Auxiliary in an effort to provide more knowledge of the functionings of the State government.

**BOYS' STATE** representative, Tom Hughes, passes an attorney bar exam during the session which enables him to serve as a judge on the city election board.

**1963 BOYS' AND GIRLS' STATE** representatives, Mike Younger and Esther Adkison, are anticipating their week's sojourn in governmental affairs.

**SCIENTIFIC** ability is shown by Tom Hughes, winner of the Bausch-Lomb Award, given annually to the outstanding student in the field of science.

**OUTSTANDING** service and scholastic achievements are only two of the traits that won, Imagaga Co-Editor, Marge Millsap, the deserving award of DAR Representative.

## DAR ... Bausch-Lomb ... State Scholarship

CHOSEN for his outstanding performance in the field of math and science, Tom Hughes, was selected as the winner of the Bausch-Lomb Science Award. By receiving this award, Tom was then entitled to enter into competition for a college scholarship to the University of Rochester in New York. He received his medal at the graduation ceremonies in June.

A member of the "Puente Recommended Program" Tom was Key Club secretary, PR Board Chairman and Fizzmatics member.

Dependability, service, leadership and patriotism are but a few of the qualifications that won the DAR Good Citizenship Award for Marge Millsap. She received a pin, a certificate and became eligible to enter further competition.

Besides her scholastic achievements, Marge spends much of her time working as co-editor of the **Imagaga**. She also served as Tyro prexy and holds offices in Girls' League, ASF, Tillies, Student Court and is a member of the World Affairs Executive Cabinet. For the past three years she was an active member in the Puente Recommended Program and a life member of CSF.

Important among the many, various scholarships offered to members of the graduating class was the California State Scholarship. The award helped many worthy seniors finance their way through college. At LaPHS Nancy Gallie and Tom Hughes were among the finalists named to receive this help for four years.

**STATE** Scholarship semi-finalists Tom Hughes and Nancy Gallie attain high scholastic achievement which makes them eligible for the award.

# Nellie , Willa Represent Their Countries,

**NELLIE PAULSEN**  
AFS STUDENT FROM HOLLAND

"I LIKE it here," beamed Nellie Paulsen, 18-year-old native of Amsterdam, Holland, and LaPHS' second foreign exchange student. Upon her arrival here on August 24 to spend a year in an American High School, this tall, Dutch miss was eagerly met by her adopted parents, Mr. and Mrs. Robert Sexton. Leaving her father, mother, an older sister, and her pet boxer was hard for her, but the Sextons tried to fill this gap with a Chihuahua and a German Shepherd.

From fifteen subjects to five was a big jump, but in spite of the difference, Nellie found it difficult to do her homework. Extra-curricular activities including being an honorary member of both Tilliquettes and Minas and being chosen captain of the girls' swim team, occupied most of her time. Some highlights of the year were: being chosen "Miss World Fellowship" by the Girls' League and playing the lead role of Parthy Ann in the spring musical, "Showboat."

Nellie taught the La Puente students much about Holland, while learning about America at LaPHS. La Puente will miss her natural charm next year and students wish her "Godspeed" on her trip across the United States, a finishing touch to her year in America.

**GRACIOUSLY** exhibiting pretty Dutch shoes and dolls from Holland, Nellie relates many Dutch customs to her foster mother, Mrs. Robert Sexton, and sister Maureen.

**QUICKLY** becoming active in many various phases at LaPHS campus life, Nellie earnestly prepares for a swift racing dive into the pool.

# Make New Friends, As Exchange Students

"IT'S ALL too exciting to believe," was the exclamation of Willa Boyer when she discovered that she had been chosen to represent La Puente High School as the first American abroad in the American Field Service program, here. Chosen by a committee of administrative and faculty members from five finalists of the top portion of the Senior class, Willa was enthusiastic to find that she had been accepted by the New York branch of the AFS. After Christmas vacation in 1961, she departed for life with her adopted parents, Mr. and Mrs. G. A. Johnstone of Private Bog, Hamilton, New Zealand. On February 1, she started attending Hamilton Girls' High School.

Willa found numerous differences in the town, vernacular, weather, means of transportation and the system of education, but, although New Zealand teens went to milk bars instead of hamburger stands, they spent their free time in similar ways and enjoyed tunes that were currently popular in the United States.

Upon her return home on August 25, Willa resumed her duties as Editor of the Tomahawk and once again became active in Campus Christians, Publications Club, GAA, Fizzmatics, CSF, and Minas.

# Leaving High School Life Seniors Prepare to Take Their Place in Modern, Complex Adult World

**CLASS PREXY** for the fourth consecutive year, popular Jerry Keifer expertly leads the seniors through a year packed with class work and social functions.

**"NOTE** the texture and design of this graduation announcement," states the salesman to Senior Class prexy J. Keifer and his associates, G. Richcreek, and L. Collins.

**ZEST** and vitality mark the co-operation of Senior Class officers K. Hanft, veep; L. Collins, sec.; and G. Richcreek, treas. as they willingly assist their prexy.

"SOMETHING old, something new . . ." characterized the wonderful, final year for the Class of 1962 at La Puente High. Jerry Keifer, president of his class for the fourth straight year, and his cooperative officers coordinate their efforts into making the year the most momentous of all at LaPHS.

To assist in handling the affairs of the class, the Senior Council met once a month to schedule their desired activities. With the support of their wise advisers, Mrs. George Dells and Patrick Powell, the seniors found the year's agenda to their liking.

Bermuda Day heralded in Hallowe'en when they sported all shapes and sizes of bermudas despite the threatening weather. This unleashed a chain of events led by the annual Paper Drive in February which raised money for their class gift.

A sudden rush of events proclaimed the impending close of a memorable year. After a rollicking "High-Hat" Day in the early spring and the Senior Dance in April, the Senior Breakfast — Privilege Day and the Junior-Senior Prom were scheduled.

"Senior Week" in June included Honors Night at which time they received awards for high scholastic grades, top service to the school, and athletics.

Dressed in blue and white caps and gowns, seniors marched into the Gym for an inspiring Baccalaureate message. Finally it was graduation time! With diplomas in hand, members of the Senior Class trekked to the magic kingdom of Disneyland for their All-Night Party sponsored by the PTA.

**FRIENDLY** and understanding, Mrs. Georgia Dells and Patrick Powell, class advisers, see to it that seniors enjoy their last eventful year at La Puente High.

**SENIOR COUNCIL:** BOTTOM ROW: Nancy Reid, Janie Peebles, Linda Collins, Jerry Keifer, Karen Hanft, Ginger Richcreek, Chris Gallego. SECOND ROW: Irma Rey, Eddie Calderon, William Chase, Doug Miller, Mike Willis, Craig Samples.

# PR Program Motivates Academic-Minded Students Through Advanced Classes, Competition, And Social Activities

**DELVING** into one of the many mysteries of science Larry Barnes, "PR" junior, conducts a class experiment on the electrolysis of water.

**"WE HAVE** the answer!" PR advanced math students J. Wolf and D. Trout wrack their brains for the solution to the problem.

"WHAT does ESP stand for?" "Where is Punta del Este?" These questions and many more were fired at "PR" contestants of LaPHS and Los Altos during their first "Brain Bowl" session. These students were exhilarated by these challenging bits of knowledge which whetted their appetite for learning.

The expressed goal of the Puente Recommended Program was to provide a well-rounded educational program for college-bound students who wished to take an enriched and accelerated curriculum.

After the freshman year, students were selected upon application, to become a part of the "PR" program by John Kramar, co-ordinator who counseled the students about their courses. Aided by the "PR" student board, headed by Tom Hughes, he planned social activities such as picnic and beach parties for them. To enrich their program, he also scheduled films, guest lecturers, field trips, and special events.

Included in their curriculum were electives in English such as World Literature, and Research, Creative Writing, Speech, and Advanced Composition. In Social Science they studied Sociology, World Documents and Biographies, while in Science and Math they were instructed in Life Science and Calculus and special courses in Chemistry and Physics. At the end of each semester High Honor, Honor and Merit awards were given to top students.

Sophomore "PR" went on an Easter vacation trip to Death Valley, while the upperclassmen took short trips to such places as Point Mugu.

**ACTIVE** co-ordinator of academic-minded students in the PR Program, John Kramar stimulates interest and provides friendly advice concerning various fields of study.

**PR FIRST SEMESTER AWARD WINNERS:** BOTTOM ROW: D. Anderson, B. Argall, C. Goodell, D. Feldman, C. Kahn, L. Bonhill, C. Weierman. SECOND ROW: T. Hughes, J. Boehme, L. Barnes, D. Lawrence, J. Hill, B. Baumgort, B. Turner, M. Younger, D. Trout.

**PR SENIORS** meet their match when defeated by underclassmen at the first semester PR Banquet where classes competed in a "Brain Bowl."

"OUR AMERICAN HERITAGE is based on freedom," reads James Hackett, while Sheryll Osburne and Diane Lichty listen attentively and take notes.

"ENGLISH Literature is very important" says Mr. Erickson to Karen Hanft, as she and three fellow students read Beowulf in their English IV class.

## English Develops Four Language Arts

**READING** acceleration is stressed in this English class as Lee Owens helps his students comprehend reading skills with specialized aids.

HAWTHORNE, Poe, Melville, Steinbeck are but a few names of significant American writers studied by LaPHS students in their English classes. Literature was only one phase of the Language Arts which were taught by English instructors under the chairmanship of Arthur Erickson. Building up the student's knowledge and interest in the different phases of the language arts was the major aim of the department. English I, II, and III did just that when the students learned their grammar, vocabulary, and composition as well as literature. English IV, however, reviewed grammar, emphasized composition, and surveyed English literature for college-bound seniors.

Journalism I and II were electives taken by those who had a talent for writing and wished to serve their school paper, The Tomahawk, and their annual, The Imagaga. Others elected to take Drama and Speech so that they would be able to act and express themselves orally with effective poise.

New this year was a special course in Remedial Reading designed to help students read faster, more accurately, and retain more of the material read.

To add to the classroom interest were educational films, special projects on units like careers, film strips, and tapes of famous pieces of literature. Some also participated in the annual Spelling Bee and provided creative material for the PTA-FFA Fair "Open House" in April.

# Social Studies Shows Changing World

EMPLOYING all possible ways to encourage a better understanding of the world, the United States, and the way people, who live in a democracy, use their freedom was the culmination sought by the Social Science Department at LaPHS.

Under the direction of Raymond Finkle, the department strove toward its desired goal by way of a unified agenda, which began with Freshman World Geography. The required course of American History, for the Juniors, continued to follow the carefully planned program even more. As a grand finale, the Seniors were required to take the interesting course of American Problems where they had to pass the Constitution test in order for them to graduate. As an optional course, World History was available to the students of the upper three classes.

In addition, courses consisting of United States History, Comparative Government and Sociology were offered to those students participating in the Puente Recommended Program. This privileged program assisted students who proposed to attend college with intermediate high school courses and beginning college work.

In November, students from the Junior and Senior classes attended the Model United Nations Conference, which was hosted by LaPHS to become acquainted with the problems facing the United Nations and the confused world today.

**ENGAGED** in finding interesting facts on the American Constitution J. Nash, J. Robles, and J. Kramer carefully prepare oral reports for their Civics class.

"**ALABAMA AND MISSISSIPPI** are twin states," says Sheryl Osburne while two classmates look up facts about the southern states, in U.S. History class.

"**WE NEED** to know all we can about the new African nations," says Mr. Wagnon while the United Nations delegates, readily agree with him, take notes.

# Science, Math Departments Show Basic

**CURIOUS** science students—C. Kahn, W. Bovee, and B. Lambert—view the wonders of the microscopic world in Rod Mitchell's biology class.

TO ENRICH the students lives in scientific knowledge and understanding in order that they might be better informed citizens, and to encourage and stimulate interest in all areas of science, were the goals of the Science Department.

Headed by Keith Washburn, the department offered eight science courses to students. The sophomores were required to take Basic Science, which presented the basic fundamentals of the various sciences, many of which they will be able to apply to their future daily lives. For those students taking a college preparatory course, four advanced sciences were offered.

Experimenting with the growth of plants under different conditions, and traveling to a Palos Verdes beach to gather marine specimens, highlighted an absorbing year for Biology students. Chemistry aspirants probed into the laws which govern the molecular and atomic relations of substances. The dissection of cats was one of the important projects of the Physiology classes. Physics was also offered as an advanced science course.

For those interested in furthering their knowledge in different fields of science, the Fizzmatics Club, and Field Science Club, evening laboratory sessions, and field trips helped them to fulfill their goals.

**OZZIE'S** various bones, joints, and processes are shown to physiology students, J. Schaub, C. Gallego, and K. Pogue, by Roquell Capps.

**"ALL LIVING** matter consists of complex molecules," emphasizes Keith Washburn in Basic Science to M. Carroll, C. Edwards, M. Bront, and D. Doosagree.

# Rules, Applications

KNOWING the immense values of mathematics and the future it could hold for many students, the LaPHS Mathematics Department, supervised by Leo Utt, chairman, worked to accomplish the high standards and goals set forth.

Math instructors aimed to give students the necessary knowledge to use math in everyday life and to train them for further practice in math which is vital in such subjects as engineering and the life sciences.

Pre-Algebra, often taken by incoming Freshmen during the summer, whetted the appetite of those interested in using numbers and symbols and served as a basic foundation for Algebra I and II. Sophomores continued with Plane Geometry, while juniors took Solid Geometry and Trigonometry. Some seniors advanced into calculus.

For non-college preparatory students who had not taken any math by the junior year a course in Consumers Math was required. This proved to be a very practical course, dealing in modern business.

Marching side by side with the Sciences, the field of mathematics became more and more mechanized. To this end many a field trip presented great challenges to interested students, especially the Math Field Day competition at Occidental College.

**KEITH WASHBURN'S** chemistry students R. Russel, T. Tutor, and S. Campbell prepare formulas and carefully note the results of their lab experiments.

**GEOMETRY** proves to be full of fascinating problems such as the one on angle sizes and degrees presented to Mr. Utt's class by H. McIntyre and W. Killbury.

**"GRAPHING** this equation will show what "Y" equals explains F. Bontempo to G. Heidkamp and S. Whittaker in Clyde Davies' Algebra I Class.

"BUENOS NOCHAS, Amigos y Amigas," is the daily welcome from Mr. Diaz to a portion of his Spanish III class as they utilize the newly-constructed

language laboratory on the LaPHS campus. The booths have separate earphones through which previously taped lessons are piped to the language students.

## New Language Lab Modernizes Classes

"ARTISTS added beauty to the Roman era through paintings," explains R. Roberts to two fellow Latin students as they admire work on display in the laboratory.

ACQUIRING skill in speaking, understanding, reading, and writing of a foreign language, was the main objective of the Foreign Language Department at LaPHS. However, with the installation of the new Language Labs, emphasis was placed upon the audio-lingual area as students listened to the tape recordings in individual stalls and repeated lessons orally for the sake of good pronunciation.

With Nicholas Diaz as chairman, the well-trained language instructors helped their students gain a deeper understanding and a profound appreciation of foreign cultures and historical traditions.

For those whose interests turned to the South American countries, classes in Spanish I, II, and III were offered. Students favoring French were able to take French I, and II. For those wishing to further their English background Latin I and II were given. Those wishing to acquire an international viewpoint learned Russian I and II.

Closely affiliated with these languages were the various language clubs on campus where they mixed studies with extra-curricular functions. Each club was steeped in quaint customs and tradition such as the Spanish breaking of the pinata, or the Mardi Gras celebration of the French, or the singing of Latin carols or eating at a Roman banquet.

In other ways too students used their knowledge of a language by viewing foreign films and by participating in the annual Foreign Language Field Day sponsored by Los Angeles State College.

# Music, Art Cultivate Expression Of Self

"THE EXPRESS GOAL of the Art Department is the developing of art appreciation among the students of La Puente High School," stated Mr. William Fontenrose, head of the Fine Arts Department. The techniques of drawing, painting, designing, Applied Art, Commercial Art and silk screening were compiled into various Art courses. They performed invaluable services to the school by making posters, designing banners, making signs, and designing the Imagaga cover and division pages.

Mr. Jack Morris coached students in the art of stagecraft, thus greatly contributing to student productions and assemblies throughout the year. He personally directed the staging of "Lute Song", "Show Boat" and other lesser productions.

Students gifted in the vocal arts were instructed by Robert Gurnee, head of the music department. The various groups under his direction performed at PTA meetings, assemblies and community organizations.

Instrumental music was promoted by Eugene Silagy through the band and orchestra. Tireless practice enabled them to add musical enjoyment to ball games, assemblies and the Vodvil. The instrumental groups ended a successful year with a band concert featuring flute, and clarinet soloists.

**LEARNING** the several techniques of drawing and writing with fine-tip pens, C. Gallego and J. Gonzales experiment with the many different colors available.

**PHONING** instructions to the stage of the new control booth are Mike Perryman and Ron Knudson, audio-visual helpers.

**LP GLEE CLUBS**, under the direction of Robert Gurnee, combine with the audience in singing of carols at the annual Christmas assembly with intention of provoking yuletide spirit.

**LEARNING** to manipulate the horizontal milling machine in woodshop are W. Ludwig and U. Swanson while Howard Blackman watches for any mistakes.

**"IS THE TUBE** too weak?" inquires Kirk Green as he and Leigh Mikesell incorporate their skill for intricate work which is necessary in radio shop.

## Industrial Arts Teaches Skills, Safety

"BUILD as you go" serves as the motto of the Industrial Arts Department, as LaPHS students build two way—they build various projects, machines, furniture and tools in these classes, and at the same time they were building a reservoir of information and experience for the future. Under the skilled or sure-handed supervision of Howard R. Blackman, the head of the department, shop students learned to understand and manipulate the newest tools and materials of industry.

This training will fit participants not only for their life work but also for the varied hobbies and pursuits connected with leisure time activities. Wide experience was offered in the areas of auto, wood and metal shops, as well as crafts, agriculture and drafting as a basic requirement to proficiency in these courses. Each of these activities offered advanced courses in a progression of years, expanding the horizons of the future artisans.

Displayed in the attendance office were exhibits of superior crafts, projects, and pictures of students at work. To inspire high caliber work, the instructors also chose a "Boy of the Month" from each area of Industrial Arts.

It could be said that the Industrial Arts Department puts its motto into practice, helping each student understand and become a part of this complex industrial age.

**CAUTIOUSLY** laboring over a complicated motor system in Auto Shop are seniors J. Mejias and J. Zim, while other students take apart a different type of motor.

# Home Ec Prepares Better Homemakers

**ENTHUSIASTIC** Home Economic students proudly display their efforts at the Home Economic United Nations Tea attended by Mr. Wagon and several other teachers.

**MISS CAROL STANTON** instructs her class in one of the fine arts of homemaking, that of preparing meals. Here they watch as she prepares a grapefruit salad.

HOW MANY girls leave high school with an adequate knowledge of home and child care, the proper selection and care of clothing, and the planning and preparing of nutritional, well-balanced meals?

If they have taken Home Ec courses at LaPHS, they have learned these basic fundamentals for future living and have tried to attain these Home Economic Department goals. Under the chairmanship of Mrs. Barbara Affolter, the department set forth a four-year plan for those girls whose interests lay in this field of endeavor.

First Home Ec girls, mostly freshmen, took campus etiquette, clothing and textile knowledge and food nutrition. After this fundamental training, they progressed to family relations, home nursing, costume designing, family foods, and home decoration. Boys, likewise were able to take a semester of cooking and home management.

In addition to the daily classes, the girls put on Christmas open house for the teachers, and special luncheons for the administration as well. During PTA meeting they presented a Fashion Show in January. To advance their goals, the department also sponsored the Future Homemakers of America in every possible way, thereby being able to continue their work into the home.

**"WILL** it be a chef's delight?" Seniors O. Rockwell, J. Russi, D. Pendergraft, and J. Zimmerman pool their talents to create a piquant delicacy.

# Business Ed Gives Business Practice

"THESE electric machines are quite sensitive, so care must be taken when operating them," explains teacher Leonard Heimann to L. Heftner and V. McIntosh.

"BRENDA, you must learn to reach for that T," instructs Mrs. Georgia Dells to Brenda Snider during a rigorous typing session in her Typing I class.

TO MAKE the Business Ed Department the largest on campus was the goal of Chairman Leonard Heimann. Designed to acquaint business students with modern techniques in machines, and in office procedures, the instructors made the courses practical for those training to enter the adult business world.

To achieve this goal many varied classes were taught. To the beginning student Typing I, and Basic Business, for advanced students Typing II, Shorthand, Bookkeeping, Record keeping and Retailing were all offered. To give the student actual knowledge of office practices, office experience was offered. Distributive Education was a business class that offered many different opportunities for students ranging from decorating the distributive ed window to helping with Imagaga sales.

Also offered to students especially interested in furthering their business experience was helping to manage the student store. Realizing that new and modern office machines would present a problem to students inexperienced with them, the business department acquired the newest machines and added Business Machines to their curriculum.

To supplement the classes, students were encouraged to join the club associated with this department, Future Business Leaders of America.

BEING heartily congratulated by Mrs. Georgia Dells was winning typist Marie Blackburn who typed 60 W.P.M. for 3 minutes with no errors.

**STRICT SCRUTINY** is given this one-month-old calf by adviser John Sharon and Tim Elliot as they check on its growth and development.

**AGRICULTURE** students not only learn new methods of conservation and plant growing but also practice the age old art of hoeing a plot of ground to obtain best crop results.

## Agriculture - Military Science - Special Ed

LA PUENTE High School offered training and experience in raising livestock, Poultry, and planting vegetables. The green house provided excellent conditions for the raising of various plants. Mr. John Sharon, department chairman, strived to promote and to develop fundamental skills in agriculture. Students taking agriculture also acquired judging techniques. Throughout the year students entered and won honors in contests, fairs, and exhibits. One of these was the FFA fair.

Students who needed individual instruction were enrolled in the Special Education classes taught by Mrs. Helen DeSimone. Students in this class were given special help in their work.

Marching and carrying out orders was a regular procedure for the CCC's on La Puente's High school campus. Under the supervision and instruction of Major Angus G. Reid, Sponsor, the boys developed leadership and an understanding for basic concepts.

California Cadet Corps was taken all four years of high school. Military fundamentals were taught all four years. CCC's entered activities with other schools, these included; Leadership, Rifle matches, Drill competition, and Annual Bivouac. Cadet's served the school as guards at Football games, track meets, and the fair. Cadets offered their services at the Assemblies and PTA as Color guards.

**COLONEL** Carter Speed, State Coordinator of the California Cadet Corps, in making his yearly inspection, checks rifles and uniforms of each member of CCC.

# Physical Ed Program Keeps Students

**"DON'T** miss that set-up!" screams Cheri Whitner to teammate, Jody Greenlee as she reaches to hit the ball over to Anne Behee during their PE class.

**"STRIKE** her out," entreats J. Smith, as K. Blake awaits the perfect pitch which may be the deciding factor in this senior PE activity.

**WITH** the shrill of the whistle B. Farmer and R. Russ begin a game of field hockey as team mates wait for the outcome of the "Bully" and prepare to charge the puck.

**INTRICATELY** balanced "Human pyramids" call for the co-ordination of every member during participation in the physical fitness program.

# Well - Rounded, Fit

SPORTSMANSHIP, teamwork, and fairplay were the guiding principles stressed in a well-organized program by both the Girls' and Boys' Physical Education Department at LaPHS.

Under the supervision of Miss Nancy Ahrens, department head, the girls program of intra-mural sports was highlighted with co-ed participation in modern dancing, volleyball, and tennis.

Such sports as speedaway, softball, field hockey, tennis, and badminton were among those designed to keep the girls both mentally and physically fit.

Through the GAA, with Miss Nancy Noble as adviser, those girls who showed further interest in the various sports participated in a schedule of sportsdays and tournaments with other schools.

The boys at LaPHS, likewise, took part in a well-rounded program under the direction of Fred Barton, department head, and his competent staff. It developed them mentally and socially as well as physically. Some went out for body building, weight training or flag football; while others played handball, tennis, soccer, softball or swam.

In addition, those boys out for team sports used their sixth period for practice under the supervision of the coaches.

All in all, both P.E. Departments at LaPHS aimed to build "sound minds in sound bodies" by providing a valuable means of maintaining healthful bodies and promoting fairplay and teamwork.

**AGILITY** and a keen sense of balance aid T. Hughes in performing difficult feats of skill, such as this handstand on parallel bars before a PTA audience.

"**LET's** keep those knees off the ground!" Fellows in boys' P.E. class help one another to gain physical strength by observing push-up techniques and con-

structively criticizing performances. This is only one phase of the helpful program now in effect to improve the physical well-being of youth.

# Fall Months Bring Rush Of Activities . . .

"HEY, Hey, All you Warriors . . ." chanted LP dancing, vivacious pepsters, spurring the Warriors on as they battled the Red Devils of Pomona at the Homecoming Game.

"WHY are you so sad, my husband?" so speaks Neu Chi (Sharon Johnson) to her husband, the Scholar (Bill Johnson) as they enact parts in the beautiful Oriental drama "Lute Song."

RADIANT and lovely 1961 Homecoming Queen Willa Boyer,

# Games, Mixers, Play

SEPTEMBER, 1961 . . . An air of unusual excitement prevailed at La Puente High. Students were eagerly awaiting their return to school, especially freshmen wide-eyed and timid newcomers to the campus. But, what was different about LaPHS this year? A closed campus, complete with a chain-link fence and parking lot chains! No down-town lunch hours, either! This was ordered by the school board to curb vandalism and downtown disturbances. LP students took it in stride, but not without varied, humorous signs such as "Zoo, Feed the Animals Here" or "This Way to East Berlin."

Nearly 700 frosh easily became a necessary part of the school after getting acquainted at the annual GL "Frosh Frolic" and the "GAA Mixer." Campus clubs and organizations got off to a good start by holding vigorous membership drives and welcome teas, barbeques or outings. Everyone, new and old, got into the act when attending rallies or becoming part of the "White Shirt" cheering section at grid contests. Nor was their enthusiasm dampened the least bit at the Warriors losses on the gridiron, but loudly they cheered radiant Willa Boyer as she was crowned the 1961 Homecoming Queen.

Notable acclaim, likewise, was given to the Thespians' simple and effective presentation of "Lute Song," an ancient Chinese drama, which was held in the LaPHS Little Theater in November.

Thus ended another busy, colorful social whirl crowded with memories of fall events at LaPHS.

# Homecoming Queen

IN MELODIC and traditional sequence, the 1961 Homecoming Princesses were escorted around McIntosh Field by Bud Garvin, ASB veep, and then through archway of pepsters to the dais where they were introduced to the crowd in the bleachers awaiting the Pomona grid contest.

Within the crown formed by the Warriorettes, the Warrior Band struck up the theme songs for each of the glowing senior princesses—Sandy Baker, Georgeanne Clarke, Willa Boyer, Cindy Beck, and Dee Tappy.

Then, a hush fell over the crowd while the band played "I'll See You in My Dream" after which Superintendent Glen Wilson announced Willa Boyer as the Homecoming Queen. Thunderous applause and wild cheers rocked the stadium as Willa, attired in a flowing white formal was presented with a bouquet of red roses and crowned Queen.

After losing a hard-fought grid contest to Pomona, 12-7, alumni, friends, and students packed the VFW Hall to revive old friendships and stir up old memories while dancing to the music of the Hollywood Stardusters. Here the royal Queen Willa and her Court reigned over festivities till midnight.

# Music, Dance, Fun

GAILY expressing the unusual theme of "Confetti," La Puente students displayed their many talents in the 40th Annual Girls' League Vodvil held on November 30 to December 1. Sprinkling from the wings came a variety of humorous skits and reminiscing songs and dances.

Under the direction of Mary Muskamp and her assistants, Lavetta Harrell and Shirley Campbell, and Miss Hazel Braithwaite and Mrs. Georgia Dells, "Confetti" was able to attract many people. On the final performance, trophies were awarded to those participants who were outstanding in their acts. "Kids are Funnier Show," enacted by the Publications Club, walked off with the Best Club award and they also were given the ribbon for the Most Humorous skit. "Top Three," a dancing team, which consisted of Marie Blackburn, Judy Laulive, and Kathy Bussola, ran away with the Best Non-Club act. Second and third place ribbons for dances went to the Majorettes and the Drill Team. For the Best Song, Ellie and Kay Harrell were voted the award; Gaynell Watkins and Mary Espinosa received Honorable Mention in the song category.

For the Grand Finale all participants from each act assembled on stage before a packed auditorium to sing "Thanks for the Memories."

## Fiery Sunbursts, Shimmering Highlights

STRAINS of "Surrey with a Fringe on Top" are heard as Jack Stewart's music fills the Club with famous Broadway hits creating a romantic setting.

BRIGHT red-and-gold sunbursts with brilliant stars throughout was the beautiful setting for the Girls' League Formal, "Starfire", held at the Ebell Club in Pomona in March. In carrying out the theme, shades of yellow, blue, red, and green from the lights streamed across the room, adding to the beauty of the stars and sun-bursts as some 200 formally-clad couples danced till midnight to the romantic music of the Jack Stewart Orchestra.

Excitement filled the air at 10 o'clock while awaiting the crowning of the Queen and her Royal Court. Vice-Principal Ted Hornstra called the lovely Princesses to the stage: Patty Martin, freshman; Kathy Quigley, sophomore; Loni Browne, junior; and Patti Martinez senior. Finally, the moment everyone had been waiting for arrived. The room became still and quiet. At that moment, Mr. Hornstra announced vivacious, raven-haired Sandy Baker Queen of the Girls' League Formal and presented her with a beautiful bouquet of red roses.

Sheet cakes, designed appropriately with "Starfire" written across the icing, carried out the colors of yellow and red.

Careful planning for the evening long to be remembered by those who attended was done by the Girls' League Cabinet members. Sharon Blackwill and her assistant Pat West were in charge of the decorations, while Karen Larson and Marge Millsap were Social Committee Co-chairmen of the Formal.

# AFS Benefits, Musirama, Club Banquets

SNOW-TOPPED mountains and crisp, cold weather heralded the advent of spring activities at LaPHS in the rain-drenched valley. Nevertheless, the traditional sports of the season got underway. Warrior speedsters ran their fastest, LaPHS mermen swam through a successful season, and tough horsehiders batted it out.

While campus flowers bloomed, the new Wigwam patio took shape and added a distinctive air to the Student Union. Then in March, the Fine Arts Society presented its annual musical, "Showboat" with its familiar song-hits, such as "Old Man River."

Then came a bevy of AFS-benefit affairs. First was "Hush Day" when frosh Mike Settle, "Mr. Irresistible" inveigled the girls into talking. Next came the "Dime-A-Dip" Dinner, sponsored by the PTA members assisted by Campus Christians and the AFS. None would forget that memorable night when the gym rafters shook with laughter at the hilarious Donkey Basketball game between the Student-Burros and the Faculty-Donketeers. AFS Queen candidates also sold tickets for financing an exchange student.

Climaxing these events came the PTA "Open House" when the AFS Queen was crowned. Preceding this, each department presented demonstrations and displays, while the Spelling Bee and FFA Fair judging went on.

# Insures Wide School News Coverage

CAMPUS NEWS coverage, as well as editorials, features and columns such as the "Shadow Saw" was readily found in the school newspaper, the Tomahawk.

This award-winning paper, published bi-weekly, was efficiently edited by Willa Boyer, editor-in-chief and her staff under the continuing guidance of Mrs. Kathleen Jorgenson, adviser. With the assistance of Page editors—Willa Boyer, Joyce Okumura, Paulette Anderson, Mike Vasquez, the staff carried on the trying, but rewarding tasks of reporting the news, writing and typing their assignments, copy-reading, and proof-reading during their daily second period class. Their hectic days of rushing to meet their deadlines and getting pictures taken, however, became more enjoyable when they finally transferred to the new journalism room with up-to-date facilities and equipment.

Invaluable information was received by staff members when they attended workshops at UCLA, USC, LACC Journalism Days. They also participated in the NAJD "On-The-Spot writing" contest, held this year at Canoga Park High School in March. Last year's Tomahawk received First-Class Honor ratings from the NSPA and CSPA and the George Gallup Award and the Quill and Scroll International Honor Rating.

Ambitious staff members took pride in helping to make the Tomahawk one of the finest high school newspapers in Southern California.

"WHAT news story will The Tomahawk feature in the next edition?" This is always the question which Editor Willa Boyer discusses with Mrs. K. Jorgenson, adviser.

# Staff's Goal - To Maintain High Standards,

"KEEP a good balance of white space, pictures, copy on your two-page spread," cautions Mrs. K. Jorgenson, adviser to co-editors M. Millsap and K. Horst.

"ACCENT on expression!" How was this unusual theme projected onto paper as the theme of the 1962 Imagaga? The development of such a theme was a major factor in the work of the Co-Editors, Marge Millsap and Karen Horst. They designed end-sheets and division pages which would tie in with the clever cover creation in turquoise blue and white with a design in maroon by Richard Mena.

Under the expert supervision of Mrs. Kathleen Jorgenson, adviser, they also made layouts, scheduled pictures, wrote heads and captions, while the other literary editors and assistants wrote copy and also created captions for the wealth of pictures in the annual.

During the year the staff attended the Journalism Day at UCLA where they received information on how to edit a yearbook. In addition, they went on a field trip to Covina where they were taken on a tour of the new, modern facilities of the Taylor Publishing Company which publishes the Imagaga.

It was the expressed intention of the staff, while attempting to capture the year at LaPHS in words and pictures, to set their goals high enough to live up to the prize-winning reputation of previous Imagagas. Last year's annual won the NSPA All-American award as well as the CSPA Medalist.

When the Imagaga was unveiled at the Publications Club banquet in June, every one connected with its editing expressed real satisfaction.

## 'Smoke Signals' - Useful Student Guide

**SMOKE SIGNALS** editor, "Sach" Watanabe confers with Gordon Kean, adviser, about the contents and distribution of this useful encyclopedia of LaPHS "Info".

JUST where could the students of La Puente High find all sorts of the information about their school? In the Smoke Signals, the LaPHS student handbook, supervised by Gordon Kean, adviser.

Published by the Leadership class under the editorship of Kathy Watanabe, the brilliant orange and black-covered booklet, a veritable encyclopedia of information about LaPHS, was always distributed to upperclassmen as well as the freshmen during the first week of school.

The contents of the student guide ranged from a complete list of faculty and personnel as well as the courses offered to all the campus rules and regulations and a calendar of events for the year. Included also were school songs and yells, a map of the grounds, and a brief history of the school and its traditions. Messages by the principal, the ASB prexy and Girls' League head welcomed all.

The booklet, likewise, explained the ASB and GL function, and gave a roster of all campus clubs. The traditional Indian drawings by Pepe Forte, '61, were carried throughout the entire brochure.

It was through the Smoke Signals that all Freshmen captured the spirit of La Puente High and received orientation through it in the social studies classes in World Geography.

# AFS Furthers Harmony Among Nations

HIGH STANDARDS are the foundations upon which the American Field Service is built. Only students who maintain high grades are qualified to represent their country in another. These students are also outstanding in leadership ability, the talent to get along with other people, and personal appearance.

The AFS Chapter at La Puente High School, headed by Marge Millsap, president; and under the supervision of James Faul and Gordon Kean, did much to help the representatives to La Puente feel at home. One of its first objectives was to find a home in which the exchange student could feel a part of. After Nellie Paulsen, this year's exchange student arrived and settled in her new home, that of Mr. and Mrs. Robert Sexton, she was warmly greeted at a Welcome Party. The LP Chapter was also responsible for planning many extra activities and trips for her.

To help raise money to send representatives from La Puente to other countries, several money-raising projects were planned and carried out. These included the PTA "Dime a Dip" International Dinner, AFS Donkey Basketball game, Boys' Hush Day, Girls' Hush Day, and a Queen contest.

Since LaPHS has become a part of the AFS, it has welcomed two foreign exchange students: Manfred Aichinger from Austria, and Paternella Paulsen from Holland. Last year it launched Willa Boyer to New Zealand, and this year it chose Larry Barnes to represent LP in another country

# Sharp Warrior Band Marching Vigorously

**WARRIOR BAND** Director, Eugene Silagy makes full use of the loud speaker when commanding band members as well as other pepsters to perform specific drills.

THE STACCATO beat of the drums announced the arrival of the Warrior Band at the formation area of McIntosh Field. Feet began tapping, hands clapped throughout the bleachers, shouts of "LPHS, LPHS" rang out as the music started.

Not only did the band strut at a quick tempo as they performed with mathematical precision their unique drills at halftime shows, but also at basketball games, special activities, and concerts. Under the skilled direction of Eugene Silagy, the musicians practiced constantly to perfect their large repertoire.

Inspired by the leadership of Drum Major, Jim Crist, who was assisted by Bruce Smith, the Band Council worked to keep the group a smooth, well-functioning organization. Council officers were: Ken Blackledge, president; Bruce Smith, vice-president; Esther Adkison, secretary; Mary Musekamp and Lynn Kurtek, librarians; Jean Bovee, publicity; Beverly Riccardo, historian.

The Band's major project was the purchasing of new uniforms with the help of the ASB. Described as West Point in style, the uniforms, having a brilliant orange front with tails and trousers of gray trimmed with black, were unveiled at a special, money-making concert in the spring.

Besides performing at Pacific Ocean Park, the group played at the Band Festivals and at Graduation, ending their year with a banquet.

## At School Functions, Spring Concert

**INSPIRING** mankind down through the years has been the music of a disciplined and expert orchestra, whether it was a group of tom-toms or the LaPHS orchestra, ably directed by Eugene Silagy.

Headed by Concert Mistress Cindy Beck who kept the violin section in tune and in order, the musicians provided inspiration to those listening while at the same time it fulfilled their own musical ambitions.

Each performance before student and adult audiences promoted appreciation of one of the greatest of arts, as the orchestra strove to keep alive the music of the ages. During the year the LaPHS orchestra in many ways contributed to the musical enlightenment of the student body.

Among the concerts given were ones for the Los Angeles Crippled Children and for the Music Boosters. Combined with the Band, the orchestra presented "Stage Orchestra", playing the latest styles of music. They also performed for their Spring Concert. Some from the violin and other sections were chosen to play with the professional orchestra to provide background music for the musical, "Showboat." Finally, the experienced musicians played for the graduation Senior Class Baccalaureate services.

The music banquet at Orlando's where well-deserved awards were presented was a perfect way of ending a good year as orchestra members.

**PATIENT** but exacting, Eugene Silagy, orchestra director, perfects the music played by orchestra members and prepares them for the annual Spring Concert.

# Campus Glee Clubs Give Musical Outlet,

**CHORAL GROUP** Director Robert Gurnee indicates with a flick of the finger and a smile that it is time for his Glee group to commence singing.

"SANTA Claus Is Coming to Town . . ." briskly sang the LaPHS Honor Choir as it entertained at the Faculty Children's Christmas Party. This group was but one of the five Glee Clubs that performed at innumerable functions throughout the year.

Cleverly directed by Robert Gurnee, the Choral groups worked individually on musical sound and interpretation. Through his choice of selections, they gained much knowledge about music appreciation as well.

Through much practice, the various groups entertained with vocal selections at the Women's Club Eastland, City of Hope, and other hospitals. Their schedule was a demanding one, especially at Christmas time when they presented a Christmas assembly for fellow students. The Honor Choir, made up of superior singers who gave extra practice time, entertained on special occasions.

In the spring members of the various Glee Clubs took part in the Fine Art Society musicale, "Showboat". Some played the leads, while others sang in the chorus. At the same time, Glee members practiced for their spring Homecoming Concert at which time awards for the outstanding singers were presented, and for their annual Graduation numbers.

Thus, the cardinal purpose of the Glee Clubs—the cultivation of individual expression through vocal song was carried out by each of the Glee Clubs.

## Ability To Master Military Techniques

"HUP, 2, 3, 4 . . ." commanded the drill sergeant during second and third periods when the La Puente High California Cadet Corps members went through their precision drills in marching. Under the direction of Major Angus Reid the host assistant Cadet Commandant Morris Fick, the CCC, in existence at LaPHS for four years, taught military fundamentals and conveyed a basic understanding of military concepts.

Part of a state-wide organization, the 262nd Battalion at LaPHS observed strict rules and regulations and every Thursday wore their tan uniforms when passing inspection. Companies A and B under the leadership of their captains worked to accomplish perfection in their competitive drills.

Many of the cadets attended the Leadership School at Fort McArthur where they learned military tactic and practiced what they had learned. Some also took part in the various rifle matches with other schools at Harding Military Academy.

Service to their school and community was part of their training. In so doing, they acted as guards at football games, track meets, and the AFS Fair. They likewise had charge of raising the flag every morning at school and served as color guards at games, assemblies, and PTA.

Thus, the cadets developed leadership and discipline as well as patriotism for their country.

TWO outstanding men in the field of training young men to be military leaders are Major Reid and returning Cadet Commander Morris Fick.

"BUY your ASB card now" suggests high point man, T. Hughes to L. Larsen as he helps the Key Club win over the Tilliquettes in competition.

"LEADERSHIP and service" were two words that best described the members of the LaPHS Boys' Service Honorary, the Key Club, organized in affiliation with the International Kiwanis-Clubs.

The members, 13 seniors and 7 juniors, were selected for their activity in the scholastic area, in sports, and in school affairs at LaPHS.

They began their year by participating in the annual ASB Drive and defeated the Tilliquettes who hosted them at a barbecue. At Xmas they distributed baskets for the Hudson District and helped a needy family, and in January aided in the March of Dimes.

At school the Key Clubbers contributed their services by painting the trash cans under the direction of Ed Calderon, president. To add money to the treasury, members sold their Student Directory. Guided by Gordon Kean, adviser, the club made great strides in their services to school and community.

# Societies, Gain Recognition For Service

"WHAT can I do for the school?" was the pending thought of members of the Tilliquettes, girls' service honorary at LaPHS, sponsored by Mrs. Ernestine Schnuelle and Miss Ruth Leger. Wearing red-and-white beanie, these friendly girls served the school by displaying good conduct, friendliness, and school spirit.

Early in the year the Tillies lost to Key Club members in the ASB card drive. They also hosted their traditional New Teachers' Tea. For an unusual money-raising project, they held a "Shoe Shine Joe." By making place cards for the City of Hope patients, they participated in worthwhile community projects.

Recognizing club members who were not Tillies and honoring one faculty member adviser, the Tilliquettes gave their yearly Honor Banquet. Ending the school year with a banquet, they installed new officers and honored their outstanding Tillie member.

# High Academic Standard Set By CSF

"SCHOLARSHIP for service" is the worthy motto of the California Scholarship Federation. With its purpose of honoring and rewarding those students who have maintained high scholastic achievement, the CSF encouraged students to work hard at their subjects in school.

Adviser Melvin Harrison and President Tom Hughes worked together in arranging an agenda for the group. Members sponsored a school-wide dance, "The Half-Way Hop" at the end of the semester. In March members

attended the CSF Convention in El Monte. In April they took a guided tour of UCLA and saw the Shakespearean tragedy, "Macbeth" on their "Privilege Day".

If a student had been a member of the CSF for four of six semesters, one of which had to be in his senior year, and had paid his dues, he was eligible to become a Life Member and received a special pin and a gold seal on his diploma at graduation.

## Senior Hi-Y Stimulates Christian Ideals

ATTEMPTING to develop and strengthen the mind and body while working for a finer community and a better world were the high goals set by members of the La Puente Hi-Y.

By participating in various service projects, the boys endeavored to maintain the high standards of Christian life and fellowship. Throughout the school year, the members held many informal gatherings with their advisers to discuss their many coming events on the agenda. Foremost among these was a Senior-Hi-Y

sponsored dance in March to help defray expenses.

Under the leadership and guidance of Nick Diaz and Harold Crawford, the club also planned some fun-filled activities. They enjoyed their traditional dinner and initiation at Miller's Cabin in the mountains, in addition to a potluck swimming-dancing party with their female counter-parts, the Mi-nas.

Intent on making their club improve its functions for the following year, both junior and senior members attended the annual "Y" conference at LaVerne.

# Service To Goal Of 'World Fellowship'

INSPIRED by their goal of creating better understanding of the words, "World Fellowship", the Mi-Nas, the Y-Teen group for junior and senior girls at LaPHS, performed many worthwhile services on and off campus.

As the year began they combined with the Ao-Wa-Ki-Yas and the We-To-Ma-Chicks and held the Candlelight Recognition Services where new members were initiated and welcomed.

In order to make money for their projects, the girls held their Football dinner, where members of the team were charged one cent per inch from the tip of one hand to the tip of the other with arms extended. They also sponsored the after-game dance "Soupy Shufffle," and made a large profit from selling tootsy pops and candied apples. At Christmas time the Minas prepared and sent food and a Christmas tree to a needy family.

In the spring, they sponsored their All-Spring Sports dinner for the baseball, track, tennis and swimming teams. The members of these teams paid one cent per inch according to height. They also honored their mothers at a Dinner-Fashion show.

As the year came to a close, the Mi-Nas sent outstanding representatives to Asilomar for a week's conference. The girls completed their year very successfully while enjoying themselves at a swim-barbeque with the boys from the Senior-Hi-Y.

FRIENDSHIP, equality and tolerance — these words symbolized the spirit of the We-To-Ma-Chicks. The worthy goal of this sophomore girls' Y-Teen group was to further Christian fellowship and to serve school and community. The club's capable advisers, Mrs. Margaret Street and Mrs. Francis Peterson and President Gerry Watanabe worked together in coordinating the club's many activities. Membership drives encouraged new members to join. Two sales held during the first semester boosted the club's treasury. The December Christmas party was a scene of merriment and the Christmas spirit abounded. A World Fellowship Tea was given and the proceeds went to help the needy the world over. May proved to be a busy month for them as they gave their spring dance and annual swim-barbeque.

## Ao-Wa-Ki-Yas Set Friendly Example

EAGER Freshman girls joined the Ao-Wa-Ki-Yas to work together wholeheartedly and to share in the planning of Y-Teen affairs. Setting their goal of growing as individuals and broadening their services, the girls worked under the supervision of Cynthia Pierson, president, and Mrs. Barbara Affolter and Mrs. Juanita Smith, advisers.

Co-operating with other Y-Teen groups on campus, they initiated new members into the club at the annual Recognition Services. To earn money, they sponsored a school-wide dance after the game with Northview, calling it the "Goal Post Hop".

During the year they also held candy sales and used the money to help needy families at Christmas, climaxing the year with their dinner in May.

"SERVICE to all" explains the high standards set by the members of the Horizon Club, affiliated with the Camp Fire Girls, under the wise guidance of Barbara McCreary, president, and Mrs. Doris DeSousa, adviser. Easily identified by their bright red sweaters with a large white HC, embossed above the pocket, the girls tried to live up to the organization's ideals of service to community as well as to school.

At Pacific State Hospital in Spadra, the girls sponsored a ward and particularly one girl in the ward. Besides arranging holiday parties for her and her friends, they gave her gifts and furnished her with canteen money, until she was transferred.

At Christmastime they, likewise, got into the holiday spirit by serving refreshments of punch and cookies to the children at the Faculty Club Christmas Party, and during the year they worked as nurses aides at the City of Hope. As older Camp Fire Girls, they attended the district meetings and the Annual Council Fire as well as Region V Convention in Los Angeles where they exchanged group ideas.

A day at Knott's Berry Farm and an evening spent at the Pasadena Playhouse to see the "Pleasure of His Company", and a week-end at Blue Jay in the mountains topped their social agenda. Nor did the year end without fun-filled day at the beach.

**HORIZON** Clubbers welcome new members by giving a Tea in their honor to introduce them to the clubs purpose, projects, and many social events for the year.

# Diverse Problems Related To Teaching

"IS TEACHING the field for me? What about security? Is it a worthwhile profession?" Students pensively concerned with these questions sought many of the answers in Tyros, the Future Teachers of America club for those interested in teaching.

Chartered by the NEA and CTA, the club was sponsored by the La Puente High School Faculty Club. John Mullender, experienced adviser, and Marge Millsap, president, guided members through a year of numerous activities.

Throughout the year, Tyros attended meetings presenting educational movies, speakers, and panels. A baked goods sale was hosted this year, and an exciting Vanderbilt versus UCLA game followed the FTA field trip to USC. They also helped counselors orientate Sparks, Willow, and Fairgrove Junior High students to high school by informing them about campus life, and on March 17, members attended the field trip to the CTA Recruitment Conference. Attaining their "crowning glory," senior Tyros were able to help teachers by instructing their classes on "Teacher Day" in April.

Topping a fruitful year was the FTA banquet, held in May. A plaque was awarded the "Teacher of the Year," and the "Tyro of the Year" was honored. The proceedings, however, were not completed without the installation of excited officers.

**CAMPUS CHRISTIAN OFFICERS:** BOTTOM ROW: T. Brown, vice-pres.; S. Parent, pres.; J. Patterson, sec. SECOND ROW: Mr. Kramar, adv.; K. Larson, treas.

EACH member of the Campus Christians contributed his own faith and good-will to make the organization a leading inspirational club on campus. With the able direction of John Kramar and Ray Finkle, advisers, and Sandra Parent, president, they held inspirational talks before school, sponsored numerous sales, and took part in Bible quiz contests.

Guest speakers on Friday mornings, open to the student body, included: John Christiansen, a former refugee; Harry Ballinger, youth director and comedian from Santa Barbara, and Captain Collins of the Navy. Films presented were "Teenage Diary", "Going Steady", and "Goal to Go", all of which added a flair of common sense to the teenager's personal life.

Making a name for themselves and keeping up the LaPHS club's tradition, their Quiz Team, made up of Karen Larson, Willa Boyer, Linda Haynes, Phil Potter and Brenda Snider, captain, claimed the All-San Gabriel Valley Championship for the second straight year. They proved themselves experts in the knowledge of the books—Romans, Colossians, and Philipians. For their feat the team spent an afternoon at Disneyland.

During the month of February, members helped the PTA sponsor the annual "Dime-A-Dip Dinner", the funds from which were contributed to the American Field Service program at La Puente High. Their year ended with a picnic and beach party.

## World Affairs Club Sponsors Model U N

SPURRED on by the Model United Nations meeting held in 1961 at Whittier College, a group of conscientious students brought about the organization of the World Affairs Club. An interest in what was happening in the world encouraged Barbara Morriss, president to enlist the aid of many other teens in order to create this club.

One of this organization's first main projects, under the capable hands of Carole Washburn and Joyce Okumura, planning, co-ordination, and careful execution of the second Model United Nations meeting held at Whittier College on

November 17. After Melanie Workman, vice-president, gave the invocation, Frank Wagnon, adviser, and Gordon Kean, who was acting as moderator, got the meeting underway.

Among this club's objectives was the main one of bettering the understanding of Parliamentary procedure and being constantly informed on world affairs. Displaying ability to complete this objective the club won an award in the Whittier Model UN. By sending numerous delegates to the Loyola Model U.N. in spring the hardworking members furthered their objectives and developed a keen interest in the world.

# Russian Club Awakens Language Interests

WHERE can one learn about Russia, the fascinating and enigmatic country that has recently become so influential in world affairs? By joining the LaPHS Russian Club those students in Russian I and II were able to have an excellent opportunity to learn more about Russia's customs, culture and language.

Assisted by Adviser George Sinek, President Joe Hill went about the business of arranging events of vital interest to the members. Among the numerous activities was a field trip made to Claremont College where members viewed unusual and exciting Russian films. One

special movie that members thoroughly enjoyed was the award-winning "The Brothers Kamarazov" made from the famous novel by that name.

Another memorable experience which drew great interest occurred when the Club members dined at a genuine Russian restaurant and ate a delicious, typical Russian meal.

Before the year ended, they found themselves singing Russian folk songs and reading Russian legends, all of which helped the groups to appreciate and understand more clearly the life in Russia.

**LATIN CLUB OFFICERS:** BOTTOM ROW: R. Wong, vice-pres.; M. Younger, pres.; B. Garvin, sgt.-at-arms. SECOND ROW: C. Stovel, hist.; Mrs. Erickson, adv.; D. Norton, sec.; V. Cozart, treas.

INTERESTED in the different cultural aspects of the classical languages, the members of the Latin Club at LaPHS endeavored to combine studies with social affairs as well.

Urged on by their President, Mike Younger, and their Adviser, Mrs. Sarajane Eriksen, the group forged ahead with a variety of functions on their agenda. First, they held a barbecue-swim for incoming members in October.

At Christmastime they hosted the Latin students from Los Altos at a gay party. Furthering the idea of educational enjoyment, they invited the French Club members to a Valentine's Party in February, when they heard an illustrated travelogue given by teachers Gerald Rose and Gordon Kean on modern Italy. Colored slides, taken on their trip last summer, contributed a feeling of reality and made the lecture "come alive." Nor would their year have been complete without the annual Roman Banquet in the spring when members dined in Roman attire.

Their most worthwhile effort was the presentation to the school of four framed paintings which they hung with due ceremony in the new Language Lab. They included: "Mater Dolorosa" by El Greco, "Man with Golden Helmet" by Rembrandt, "Burning Incense" by Sargent, and "The Flute Player," an Etruscan Fresco found in Tarquinia.

# Understanding Of French People, Culture

**FRENCH CLUB OFFICERS:** BOTTOM ROW: J. Hill, vice-pres.; F. Trujillo, pres.; L. Koenigseder, sec.; Miss Prado, adv.; B. Gauker, treas.

HOW could a student learn more about the French culture and customs? By joining Le Cercle Francais at LaPHS, of course. As members of this eight-year-old club, they attended lectures and field trips to French plays, movies, and art exhibits under the direction of Frank Trujillo, president, and Miss Hermelinda Prado, adviser.

Besides a pre-school reunion picnic, the group welcomed new members at a get-acquainted mixer in September. Their social calendar continued with a Hallowe'en masquerade party at which they hosted the members of the Latin Club. Following this in December they celebrated with the Christmas spirit at their annual dinner at which they presented a Christmas play in French and sang old-time French carols. Late in February the "Frenchies" sponsored an after-game dance, the Mardi Gras, The Wigwam, festive in colorful balloons and streamers, marked the setting for the crowning of the King and Queen, outstanding club members, Tim Elliott and Mary Cuevas, who reigned over the festivities.

To make money for the club, they held several sales such as the Flapjack Sale.

As a fitting close to the year, members participated in an installation banquet for new officers and a beach picnic party in June.

## Rich Spanish History, Culture, Customs

OH, to have lived at the time of the gay caballeros and their sweet senoritas! Just such an atmosphere of romance and excitement prevailed at all the functions of "Los Tacos", the Spanish Club at LaPHS, advised by Mrs. Rebecca Marti.

Early in the fall, members gathered for a get-acquainted party and sponsored a school-wide dance after a grid contest, featuring decorations with the real flavor of old Spain.

Nor would any member forget the unusual field trip to Claremont where they viewed the movie, "Pepe," about a Mexican boy. They were also treated to a glimpse of Spain and South America with their colorful customs and traditions when Assistant Superintendent Robert Schilling, former Spanish teacher at LaPHS, spoke of his travels and showed colored slides of famous landmarks.

During the Christmas season, the group got into the real spirit of a Spanish holiday by breaking the pinata and celebrating Las Posadas at their meeting in the Wigwam. During vacation they also entertained the La Puente Historical Society at Christmas.

In the spring, as was the custom, the club gathered in the Wigwam for their delicious Taco Dinner, presided over by Henry Rock, president, and his officers and adviser. Officers for the ensuing year were duly installed at the dinner and an evening of fun and dancing followed.

# Publications Club Brings Forth Interest

**PUBLICATIONS CLUB OFFICERS:** BOTTOM ROW: B. Selke, sec.; M. Vasquez, pres.; K. Richardson, vice-pres. SECOND ROW: Mrs. Jorgenson, adv.; K. Winfield, treas.

LaPHS Publications Club united ambitious members of the Imagaga, Tomahawk, and Smoke Signals Staffs who were interested in furthering their understanding and knowledge in the field of journalism. Under the superior leadership of Mrs. Kathleen Jorgenson, adviser, the club prospered increasingly through the year. Mike Vasquez, president for the first semester, was succeeded by Vice President, Kathy Richardson when he graduated midterm.

The first event of the year was the Swim Barbecue and initiation of new members in October. After enjoying a dip in the pool, everyone ate hot dogs, hamburgers, and all the trimmings. Initiation came next which was a hilarious moment for all. A Christmas party in December was attended by good old St. Nick as members joyously sang Christmas carols and exchanged gifts. A Candy Sale in January and February was the main fund-raising event of the year.

Top journalists were accepted into the Quill and Scroll, an international honor society for student journalists, of which Karen Horst was elected President. Climaxing a prosperous year, the Publications Club members enjoyed a banquet at Orlando's where outstanding journalists were honored and the 1962 Imagaga was unveiled.

"THESE really sell fast," exclaims top salesgirl for the Publications Club, Linda Fanning as she sells a Nestles Crunch to seniors L. Addis and R. Madriaga.

# In Information On Business Occupations

TO SECURE a better understanding of the vast business world of the future and to come together socially, many business-minded LaPHS students joined the Future Business Leaders of America. Neil Foley and Gerald Rose, competent advisers, helped Joe Perez, president, to make up an agenda which would combine both objectives.

Beginning the year socially, members and their dates attended a get-acquainted dance, where old members reminisced about the previous year and cordially welcomed the new members. Representing their club, a group of FBLAers trekked to Los Angeles to participate in a Youth Leadership Conference. Guest speakers included one from the General Telephone Company who briefed members on what to expect when entering this field, and one from the Civil Service Commission, who explained the working of the merit system. One highlight of the year was a field trip to Union Hall in Los Angeles.

To raise money for the club, they held a candy sale and sponsored a dance. To close the year, every member enjoyed a swim and barbecue party.

By taking part in all of the events offered to them, FBLAers were able to realize more fully the value of getting information about a career of their choice of business and of getting to know other students who have the same future in mind.

## Thespians Promote First-Class Drama

CREATED to promote theater arts and to give talented people at La Puente High School a chance to improve and to show their talent, Thespian Troup 1847, taught members easier and more effective ways of applying make up, designing scenery and experience in managing and directing as well as in acting. Membership in this club could be earned by having 10 Thespian points.

Service seemed to be the key word to this ambitious club as they started early in the year to furnish LaPHS with the first fall play in the new Little Theater, entitled "Lute Song," a play of ancient China.

Under the careful guidance of their adviser Hubert Lohman, and the president Carole Washburn, the Thespians

planned and worked to make the fall play, a play to be remembered by all who saw it.

This honorary club, eager to render service to all in need of theatrical help applied make-up to vodvil actors during the Girls' League Vodvil. In March they gave a dance to help supplement the expenses of the annual spring play, this year "Showboat."

Their last major production of the year "Showboat", a musical comedy of the South, was presented in association with the music and art departments. In May the Thespians had their annual Banquet at which they honored out-going members and welcomed in new members.

# Art Club Fosters Artistic Expression

UNDER the sponsorship of William Fontenrose, the newly established Art Club was able to make a progressive beginning. Through the year, Ivan Beardsley, president, conducted numerous meetings which were enjoyed by all who had attended them. One of the more interesting programs presented to the club applicants, was given by Manuel Zamora, a commercial artist and also an alumnus of LaPHS. Giving his viewpoints and facts about commercial art, he influenced his intrigued listeners.

"The Warrior," a resemblance of a happy-go-lucky Indian head whose eyes would ingeniously blink on and off at different intervals, was cleverly assembled by the Art Club members and entitled the LaPHS mascot. He

was then contributed to the Student Body and used during half-time shows.

Another gratifying service to the school was the colorful signs that were also painted for the exciting football games by the enthusiastic members.

During the spring semester, a fascinating visit to a non-local Art Gallery was arranged by the sponsor and the officers. Among the beautiful still-life paintings, the members were able to examine some of the modernistic works of great artists.

For a grand climax of the full Art Club schedule, the club participants experienced a fun-filled evening of relaxation and laughter.

"LET'S finish the mascot's head by adding the red war paint," suggests E. Trevino to fellow Art Club members J. Wilson and C. Lavar.

Headed by Doug Miller, president, and Keith Washburn and Elbert Moore, advisers, members gained extensive information from various field trips such as the one taken to the Cal-Research Laboratories. They also attended night labs for experimentation. Their February "Open House" for seventh and eighth graders interested in science and math proved to be highly successful.

In the spring members also held an assorted candy sale, the proceeds of which were presented to an outstanding student, majoring in these fields. At the end of the year, the group took their annual field trip and outing to La Jolla Scripps Oceanarium.

# Field Science Club Offers Nature Study

"ROUGHING it" was just one of the things a member of the Field Science Club could expect to do in his quest for knowledge and adventure.

This two-year-old club, which was preceded by the Biology Club, had a serious purpose in mind for its members—namely, to gather all kinds of specimens from nature, which eventually would build a science museum.

Program chairman, Judy Smith, collecting information about different areas and keeping informed on the weather reports, planned each field trip well in advance. To help finance these trips, they held a Car Wash in November.

During Christmas vacation members trekked to Borrego Valley. A fossil bed at Newport Beach, plant and animal life on Anacapa Island, and geological exploration at the Joshua National Monument were among their many unusual excursions.

ONE, TWO, three,—Click!" Another snapshot was taken by one of the Shutterbugs as they captured events in pictures for the school newspaper, the Tomahawk, and the yearbook, the Imagaga. All of the Tomahawk pictures and over half of the Imagaga pictures were taken by members of the Shutterbugs Club. They not only produced colorful pictures of fellow-students and campus events, but also gained valuable experience in photo-journalism.

Students interested in photography as a hobby or as a profession became members of the Shutterbugs, the purpose of which was to teach the basic fundamentals of photography. With most modern facilities available, they were able to further their understanding of this art. Besides developing their own pictures in the dark rooms, they learned the process of changing colored pictures to black and white as well as the techniques of camera angles.

To add to their supply of modern equipment, the group sponsored an after-game dance in January, the "Shutterbug Stomp" as a money-making venture. During the year they took a field trip to the Taylor Publishing Company in Covina to view and inspect their photographic equipment.

With the qualified leadership of Roquell Capps, adviser, who demonstrated to members the best way to schedule assignments and carry them out, and Wayne Boles, president, the group received first hand information and skill in photography.

# Lens Smashers Operate AV Equipment

**STATIONED** in the projection room of the Little Theater, Lens Smasher experts, Ron Koyle and Del Carl await a cue to start music for a stage performance.

"TESTING, one, two, three," was a familiar sound heard around school before the many campus functions needing a sound system. Members of the Lens Smashers put in many extra hours setting up these sound systems for school dances, plays, athletic events, assemblies, and numerous other activities held during the year. Besides preparing for these events, Lens Smashers had the opportunity to learn the special uses, and maintenance procedures for complicated Audio Visual equipment from their adviser, Robert Jenkins.

Serving the school in still another way, the club purchased a 35mm single lens reflex camera to produce colored transparencies to be used by teachers in various classes. Taking time off from their working schedule, members enjoyed a club dance, and trips to such places as Disneyland, Salton Sea, and Laguna Beach.

## Radio Club Encourages Communication

PARTICIPATION in amateur radio communications fulfilled the desires of those students who wished to become members of the LaPHS Radio Club (Station WA6DFE). Encouraged by President Phil Vinoker (WA6HVI) and Adviser Dave Martinson (WA6TEH), the members received instruction necessary to pass the Novice Amateur Radio examination to become Ham Radio Operators.

During their club meetings they spent many hours, undisturbed, listening for messages and signals from far away places. They also built and designed ham operator sets and became familiar with the use of transmitters and receivers and other radio parts.

When not listening or sending in code or voice, they earned money for their club by holding an Opportunity Sale when they raffled off a television set given to them by a local store. They also sponsored a spring dance before signing off for the year.

## Research In Field Of Home Economics

TO BUILD better homes and families for a brighter American future was the main purpose of the Future Homemakers of America. The chapter at LaPHS was no exception. They worked to promote goodwill, friendship, and better understanding of the basic principles of Home Economics under the wise guidance of Betty Thompson, president, and Mrs. Evangeline Cox, adviser, who planned an eventful year.

Even as school began in September and the Los Angeles County Fair took place, the LaPHS chapter members created an FHA booth and for the second consecutive year, they walked off with first-place honors and a prize of \$50. Always of service to other school organizations, they planned, prepared, and served many delicious meals such as the United Nations Tea. They also had charge of the coffee served in the Teachers' Lounge.

At Christmas the girls gathered and sold sprigs of mistletoe and went caroling to cheer less fortunate shut-ins. They also sold cook books to swell their treasury and planned an effective FHA Week.

Active participation of members at LaPHS in the Section XI program resulted in members taking a trip to Antelope Valley High School in Lancaster for the spring meeting, with Prexy Betty Thompson serving as Section XI secretary and Robin Morden becoming Section treasurer.

At their year-end Mother - Daughter Banquet in May, they paid tribute to outstanding members and installed new officers in an impressive ceremony.

"THIS MAKES the opening of FHA week official", exclaims B. Thompson, president and D. McBride, vice president as Mayor David Sprong gives his seal of approval.

# New Ag Techniques

DEVELOPING the farm youth of today and striving to be the agricultural leaders of tomorrow was the purpose of the Future Farmers of America. With the guidance of John Sharon, the organization adviser, FFA members were able to gain an outstanding knowledge of the scientific methods of rearing crops and animals.

During the fall semester of the school year, the majority of the FFA members entered their prize winning animals and other projects in the Los Angeles County Fair for competition. The next thing on the calendar was the filling of Christmas baskets and distributing them around to needy families in the community. Every year La Puente Future Farmers participated in the Co-Op quiz contest. This year the members won the third place award.

As a service to the state, FFA'ers invaded Colbrick Canyon with shovels and small pine trees to plant for restoration in February.

During the spring semester, the FFA exhibited and competed, again, in their annual fund raising FFA Fair. Many of the future farmers achieved numerous awards and valuable experiences from their exhibitions of livestock, crops, and other projects.

Ending the industrious year with an evening of pleasure, the FFA members and the Future Homemakers of America gathered to reminisce.

"LPHS! LPHS! . . ." shouted the peppy cheerleaders as they led loyal Warrior fans in the bleachers in one of their staccato cheers. Dressed in bright orange sweaters and white pleated skirts with orange insets, these six perky pepsters—Nancy Reid, head; Judy Laulive, Cathy Bussola, Nancy Belosic, Sally Gustafson, and Julie Cabe gave their "all" and shouted till their voices gave out, leading cheer after cheer to spur the Warrior teams on to victory.

Nor were the snappy JV cheerleaders—Lorayne Hitchcock, head; Rebecca Marino, Ganard Johnson, and Pat Yost—to be outdone as they led countless cheers for the B teams. Outfitted in black sweaters with bright orange letters and black pleated skirts with white insets, they gave out with lively and well-organized cheers.

Attired in chic outfits of orange and white gingham covered with black corduroy jumpers, the four vivacious and sparkling songleaders lent their enthusiastic spirit and glowing voices to support the team.

These peppy songleaders—Peggy Kennedy, head; Cindy Beck, Rosalyn Roberts, and Janie Peebles—sang such popular school songs as "We're Loyal to You, Puente High" or "There's a Team Over There" as they danced intricate routines, keeping time with their bouncing orange and white pompoms to the fast music of the Warrior Band.

"WHEEE . . ." shrilled the whistle marking the half-time period. Down the field preceding the Warrior Band pranced the Bannerbearers—four in all—Bunny Meekhof, head; Judy Moskus, Sherry Burton, Linda Collins—holding the Warrior Banner high and wearing their white leather fringed tunics and orange feather headdresses.

Not far behind them strutted the high-kicking majorettes with batons twirling and flashing in the light—Jean Bovee, head; Mary Muscamp, Bev Riccardo and Shirley Campbell who were clad in snappy black and white attire.

Dressed in trim orange and black checked outfits, the LaPHS flagtwirlers usually drew up in the rear of the Band, twirling their sparkling white banners with the orange and black painted Warrior heads on them in time to the peppy music. Headed by Karen Cryar, Lynda Brasuell, Sue Dawson, Peggy Garren and Carole Ivie brought glamour and color to the halftime shows as they unfolded their precision routines and drills.

The Warrior Mascot, who beneath the mask was Eddie Lookadoo, became a familiar sight at all contests. His flashing red eyes, his friendly grin, and Indian dancing became a symbol of loyalty to all LaPHSers. Win or lose, he was always there to offer his comical antics and mimicing gestures.

Together with the Band, these pepsters presented halftime shows in unparalleled quick tempo.

## Perform High - Stepping, Intricate Routines

BUBBLING school spirit at football and basketball games marked the setting for the La Puente High's strutting Warriorettes. Under the watchful eye of Miss Rita Dargaczewski, adviser, this group of 50 drill team girls practiced after school daily, perfecting their peppy drills and marching tactics.

Clad in white leather fringed tunics with brilliant orange collars and orange-and-black feathered headbands and armbands and white moccasins, the girls high-stepped down field under the leadership of Captain Kathy Richardson and her two lieutenants, Carol Moretta and Linda Koenigseder.

At all home games, together with the other pepsters and the band, the Warriorettes helped to entertain during the halftime shows. They could be seen dancing the Charleston, the cha-cha, and many other dance routines while the band played and the majorettes twirled their lighted batons. Along with the band, they took part in the Western Days Parade and the POP parade and performed in competition at National City.

To earn money for their annual banquet in June, members held a Car Wash and two campus Sales. At their final get-together the names of the new captain and lieutenants were announced and special awards were given to the outstanding drill team member and the outstanding member from the Sophomore, Junior, and Senior Class.

## GALS Represent Superior Sports-Girls

**GALS OFFICERS:** BOTTOM ROW: Lorayne Hitchcock, vice-pres.; Frances Harris, pres. SECOND ROW: Billie Blair, sec.-treas.; Miss Ahrens, adv.

"A GIRL IN GALS should be outstanding in each of the things the four letters represent," emphasized Fran Harris, club president. "G stands for 'girls interested in GAA' — A for 'athletic ability' — L for 'leadership, loyalty to school, friends and club' — and S for 'sportsmanship.'" The goal of every GAA member is to become a GAL, and after she has earned 14 credits by going out for a variety of sports, she may be admitted to the club.

Donning colorful white sweaters with school colors for the letter, name-plate, and stripes, a GAL is easily spotted on campus. Representing this honor society, she must always be conscientious of setting a good example for the other members of GAA, and she must maintain her membership by remaining active in GAA.

After a rousing bowling party for the new members, a car wash was held as a means of raising money for their mountain trip. Not only did GALS have fun participating in GAA, but they also challenged GPE teachers in games of various sports. They also decorated for football and basketball games and ushered at GL events. The fun-loving GALS also had a rollicking slumber party at the home of their adviser, Miss Nancy Ahrens.

Thus, fun and relaxation brought to a close the year for the Girls' Athletic Lettermen's Society.

# GAA Honors Fair Play, Physical Fitness

DEVELOPING SKILL in each of the sports offered and good sportsmanship with others, members of the Girls' Athletic Association practiced various sports after school in preparation for playdays in hockey, basketball, speedaway, or softball with other schools. At the playdays, girls from many different schools in the league were able to use their perfected skills to gain points for their home team. By the end of the day points were added up to find the best team in the competition. So it was that the La Puente GAA won the basketball playday.

Miss Nancy Noble, adviser, and Judy Smith, president, helped the GAA emphasize the educational and social values of athletics, by organizing many social events throughout the year. A swim party and dinner, held at the beginning of the year, gave GAA members, as well as non-members, a chance to meet new friends. The GAA mixer provided fun and games to break the ice new and old members became acquainted. Later in the year, new members, had less enjoyment as they were laughingly initiated at GAA initiation.

A King and Queen of Sports were crowned at the GAA Carnival Dance in the spring and the swimmers showed their synchronizing skill at the annual Swim Show. All the year's activities were made possible by the work of the enthusiastic GAA cabinet, and the members themselves.

# GAA Swimmers Compete, Stage Ballet

"SWIMMERS to your mark — go!" and Sandy Adkison, LaPHS, hits the water in competition against Lynn Bowsher of Temple City during a 50-yard breast-stroke race.

"IMPROVE your stroke. Try to gain seconds on your best time, and develop better breathing techniques."

Such were the valuable hints and good swimming fundamentals suggested by Miss Nancy Noble, who urged swimmers to put forth their utmost efforts in completing a successful year of competitive and synchronized swimming. Meeting four days a week, swimmers were able to improve and prepare for their swim meets, which were rewarding. Coached and well-trained, the enthusiastic competitive swimmers participated with many other schools throughout the year in swim meets.

Slaughtering Temple City, chalked up the LaPHS mermaids, a high score of 71-33. With Esther Adkison high scorer for this meet, another great victory was gained in November. LaPHS scored a 64-32 victory over Glendora and last December, the GAA mermaids edged against Chaffey, 49-47. Thus, with foreign exchange student, Nellie Paulson as team captain, the 22 GAA swimmers were able to attain a first in league competition.

A main attraction of the synchronized swimmers also this year was the annual GAA swimshow held in April. Fancy designs and graceful strokes were developed by these girls, and not only did they learn the more advanced and interesting aspects of swimming, but they also learned the valuable principles of co-operation, practice, and good sportsmanship.

## Tennis Requires Co-ordination, Good Form

WHAM! A low, fast tennis ball was gracefully slammed over the net, and alert tennis players were instantly spurred to action. With agility each tennis player rallied to the excitement of a game of tennis, and soon exhausted, she was ready to give up. However, with each succeeding practice, she became almost a part of the scenery as tennis players constantly strove to improve their stroking.

This year, enthusiastic tennis players endured a rather successful season. Tuesdays and Thursdays were set aside to promote the adage, "Practice Makes Perfect," while GAA members persistently prepared for matches with other schools.

Supervised by Miss Nancy Ahrens, the varsity tennis team scored a smashing victory against Glendora High, drawing a tie against Azusa.

With Billie Blair, first singles player, and Laura Munoz and Kay Harrell, first doubles, varsity tennis players enjoyed playing tennis. Co-ordinating skills such as developing a good forehand and backhand stroke, serving, proper stance, and quick, alert response were stressed.

Matches with other schools promoted the necessary experience and practice associated with improving tennis skills, and above all, a better understanding of the sport was acquired. Yet, important as skill might be in tennis, determination and good sportsmanship promoted these fundamentals.

"LOVE-ALL," exclaims agile, lanky Billie Blair, GAA first singles, varsity tennis player as an absorbing game of necessary practice is off to a rousing start.

# Speed, Accuracy - Important In Badminton

"SERVICE" was the cry heard ringing over the courts as energetic girl badminton players began the battle for the bird. Encouraged by their adviser Nancy Ahrens, and their student manager Kathy Boehme, the players met after school every Tuesday and Thursday when they worked on perfecting such techniques as "drop" shots.

Their first chance of showing the results of their practice was at the Annual High School Sports Play day, held at Mount Sac, on March 30. There, along with tennis and swimming GAAers, they were competing with

19 other schools. In the badminton double elimination tournament Billy Blair and Brenda Smith won 2 and lost 1, Joan Neal and Barbara Morriss lost 2 and won 1. In the singles division Marie Wilson won the consolation round and Frances Harris, played in the semi-finals.

The first and only match held at the school was played against Azusa. Outplayed by a hard hitting team 6-2 they hoped for better results in the future.

With the season just beginning the girls and their adviser looked forward to a successful year.

WITH a powerful follow-through, Frances Harris, first singles champ displays her agility when she smashes the badminton birdie to her awaiting opponent.

## Lettermen Maintain High Athletic Ideals

TO FURTHER the recognition of athletes and to provide high standards in team athletics is the main purpose of the Lettermen's Club. Sponsored by their adviser Fred Barton and club prexy, Jim Contreras, the club set out to further their goals. Superior athletes in all sports joined the club and an active agenda was quickly planned.

In the annual lettermen-faculty tilt the lettermen outplayed the faculty 46-36. Carrying on the traditions of former years, the lettermen sponsored students from junior high schools to free football and basketball

games. Also interested in inspiring Junior High Schools to greater competition, the lettermen sponsored the basketball carnival, and track meet for them. They also sponsored a wrestling carnival between La Puente and Los Altos.

Lettermen, eager to help the school, assisted by taking tickets and ASB cards at athletic events. Proud of being members and eager to show off their membership, lettermen for the first time had orange and black emblems on their sweaters to signify belonging to the club.

# Lacking Depth, Experience - Nab Seventh

FOR THE FIFTH consecutive year the Varsity Gridmen have opened the season with a victory with the aid of their dedicated coaches Ted Zimmerman, Head coach; George Van Zant, and Nick Diaz. Despite the strong effort and desire that was given by every member of the team, the gridsters, pulled down by numerous injuries at the start of the season, finished the Montview League with a 1-6-0 record.

In the first few days of practice before school started it looked as if the Warriors were going to have a championship team, then disaster hit. Numerous injuries plagued the team. The gridsters were forced to take on many inexperienced players to fill their spots, and give the five returning lettermen Dan Rockwell, Dan Tafoya, Burryl Owens, Jim Contreras, and John Contreas, a tough time getting the team in shape for the opening game against the Azusa Aztecs.

Early in the season the Warriors slammed against the Aztecs to start-off the season with a 12-6 victory. The Warriors next opponent, Santa Ana Valley, was the 1961 Triple A runners up in CIF and their whole team returned to play the Warriors in the last pre-league game, which, even though the Warriors lost 21-0, sparked the Warriors to out-play their opponents.

Ganesha High, the first opponent in the reformed Montview League, clashed with the Warriors at Mt. San

Antonio College. The Warriors played a strong game, but were defeated at the end with a score, 13-7.

The next two games put the Warriors further down the totem pole when they lost to the West Covina Spartans, 39-7, and to the Northview Vikings, 7-0. After the fourth straight defeat, the Warriors smashed the Covina Colts, 12-6. Sparked by the previous victory, the Warriors met Los Altos in one of the biggest games of the year, in which the decision went to Los Altos, 13-0. The Warriors finished seventh in the Montview League after losing the next two games to the Baldwin Park Braves, 32-19, and to the Pomona Red Devils, 7-0.

Dan Rockwell was awarded the outstanding defensive lineman of the year and his name was inscribed in the Warrior Hall of Fame. Frank Trujillo, most inspirational player of the year, was voted the best defensive back. Toni Rossi, halfback, and Don Bowman, lineman, were the outstanding offensive back and defensive linemen.

The Warrior gridsters, in the coming season, will not be under the guidance of their skillful coach, Ted Zimmerman. Coach Zimmerman will be retiring, leaving the Warriors with an impressive record of 31 victories, 19 defeats, and 3 ties. Through the last six years, Coach Zimmerman has done much in training students to be good athletes as well as to be good sportsmen.

# Defending B Grid Champs Finish Third

SUPERBLY coached by Bob Packer and Andy Carroll, the defending ML B champs snagged a third-place berth in league play with a 4 win - 3 loss record and a 6 win - 3 loss over-all record.

Led by Co-Captains Jim Galindo and Tom Reeves, the Papooses swept through their pre-league season with a perfect record. Gathering momentum, the B gridsters crushed Ganesha 46-6, then traveled to West Covina, edging them, 20-13. Combining a devastating offense with a water-tight defense, they crushed Northview, 53-0, in a one-sided tilt.

The Papooses next invaded Covina, only to be upset, 21-7, but came back to blank Los Altos, 13-0. Hoping for a co-championship, they then took on Baldwin Park, but were outplayed, 33-6. In the final tilt, they were also tripped, 20-15, by the Pomona Red Devils.

# Green C Gridders Take Fifth M L Spot

**FLEET** C halfback Lonnie Rodriguez tries to evade oncoming Baldwin Park tacklers for extra yardage in the Lil' Warriors first victory of the season, 20-0.

COACHED by Bill Dunn and Jack Wolfe, the La Puente C Football team experienced a disastrous season, compiling a 1-6-1 record and nabbed fifth place in the final Montview League standings.

After being trounced, 32-12, by Santa Ana Valley and falling to the Chino Cowboys in their pre-season games the midgetmen were then tied 7-7, by West Covina in their league opener. The Lil' Warriors then went into a three game tailspin being bopped, 13-0, by Northview, shutout by Covina 12-0, and dumped 21-13 by arch-rival Los Altos.

Led by Co-Captains, Robert Chairez and Terry Nash, the C lightweights then ran over the Baldwin Park Braves, 20-0 for their first victory of the season. The Lil' Warriors then lost a 13-12 heart breaker to Chaffey in a non-league tussle.

**CO-CAPTAINS** Robert Chairez and Terry Nash, spurred on by Coaches Bill Dunn and Jack Wolfe, projected the midgetmen to an ML fifth place.

## Untried Matmen Battle For Fourth Spot

FIELDING an inexperienced but scrappy wrestling team, coach Ted Zimmerman built up a fine first year team in the East Valley League which copped a fourth place berth with a 4 win-3 loss-4 tie league record.

Spurred on by Co-Captains Frank Trujillo and Pete Liapes, the La Puente matmen trounced Baldwin Park, 40-18, and Lowell, 38-16, in pre-league meets. Traveling to West Covina for the first league meet, the wrestling squad was edged out, 26-24. Playing host to Los Altos, the La Puente grapplers were soundly beaten, 32-19. Nevertheless, they gave a highly spirited performance the same week when they hosted Bishop Amat and thrashed the Lancers, 36-18. Journeying next to El Monte, the La Puente wrestlers were spanked, 26-19, but came back to squeak past Charter Oak, 26-24. The last meet saw the improved matmen in their best performance as they upset Edgewood, 26-21.

COACH ROY WILKS' varsity mermen boasted 5 win - 0 loss league and non-league records for the season, grabbing a second spot in league play. Opening strong, they dunked Compton, 19-4, but met their match early in the season when they lost to league champs, Sierra, 11-9. Despite the fact that it was an uphill fight with no where to go, the mermen went through the rest of the season without another league loss, drowning Montebello, 12-5; Bell Gardens, 22-6; Pioneer, 16-4; and Lynwood, 12-8.

In practice games, they also went on to win all but one game—that to Bell Gardens, 10-7. Victories included Fontana, 22-8; Upland, 16-7; Norwalk, 27-2; San Marino, 12-8; and Riverside, 16-6.

Short on experience and long on effort, the B mermen finished the season with a league 4th-place berth, a 4 win - 0 loss non-league record, and a 4 win - 2 loss league record. Though they smashed their first league foe, Compton, 19-4, the local B's were edged by a fast Sierra foe, 9-6, and drowned by an even faster team, Montebello, 14-2. They broke their losing streak by splashing Bell Gardens, 15-3 and Pioneer, 10-8. Their league season ended with a thorough dunking by Lynwood, 13-8.

The C minnows rang up a 3 win - 3 loss league record, placing third in league standing. In their opener against Fontana, the minnows won, 13-7, only to be drowned, 12-3, by Upland next. They won four of their league games—Compton, 12-7; Sierra, 8-7; Bell Gardens, 9-3; Pioneer, 6-2; but dropped their final game to Lynwood, 6-5 in the final seconds of play.

RUGGED Warrior leatherlungers, guided skillfully by Coach Fred Barton for the last time, nailed a second berth in league play with a 5 win - 2 loss record.

Starting the year unsteadily, the Warrior seven fell prey to La Habra's Highlanders, 20-55, and to the Azusa Aztecs, 51-55, but came back to swamp Rosemead, 22-33, and romped over Ganesha, 17-44, and West Covina, 21-40. After being upset by the Northview Vikings, 27½-29½, the sturdy harriers scalped Covina, 25-30, and conquered their cross-town rival, Los Altos, 25-36.

Hoping for the 8th ML crown, the Warriors outran Baldwin Park, 15-50, but had their hopes shattered as Pomona handed them a 25-30 loss. Highlighting the season, harriers, paced by Captain Al Rumpilla, took fourth place in the Mt. Sac Invitational and secured a third-place berth in the Pacific Invitational. The season was climaxed with the stellar performance by Mike Maldonado, who placed sixth in the CIF finals, while leading his team to an eighth-place tie with Los Altos.

The JV distancemen posted a 5 win - 1 loss pre-season record and a flawless 5 win - 0 loss league record to secure their eighth league crown. Captained by silver-medal winner, Frank Felix, the Papooses nailed third at the Mt. SAC Invitational, but were edged for first at the Pacific Invitational.

The Frosh-Sophs also won a league championship, taking all five of their scheduled league meets, and nabbing second at Mt. SAC and third at Pacific

# Hoopmen Post Fourth-Place ML Berth

TEAM-EFFORT of the highest type led Coach Don Edwards' varsity hoopsters to a fourth place in the Montview League, chalking up a pre-season record of 4 wins and 4 losses and a league record of 9 wins and 5 losses.

In the first pre-league game, the Warriors trounced the LaPHS faculty, 49-36. The spirits of the team were set high after overwhelming Temple City, 57-38, after being downed by the sturdy Alumni team, 44-31, and El Monte, 54-45. Having edged Charter Oaks, 55-54, and Downey, 48-46, in two thrillers, the hoopsters dropped the Bell Gardens game, 65-40, and the Azusa tilt, 66-63.

The 50-34 victorious opening contest over the Ganesha Giants was followed by an easy 54-46 triumph over the West Covina Spartans. Upset, 53-51, in a heart-breaking overtime contest by the Northview Vikings, the Warriors bounced back to scalp the Covina Colts, 60-50, in one of the most exciting games of the season.

The Covina tilt gave the hoopsters a boost up to the first place spot, tied with the Northview Vikings for first in the first round of League play.

After outplaying their cross-town rivals, Los Altos, 42-27, the cagers won the next four straight including a 54-27 over the Baldwin Park Braves, a exciting 39-37 victory over the Pomona Red Devils, a 45-32 tilt over

the Ganesha Giants, and a 43-32 smash against the West Covina Spartans.

With two victories under their belt at the beginning of the second round of league play, the cagers hit a losing streak, losing to the Northview Vikings, 61-43; the Covina Colts, 49-32; and the Los Altos Conquistadores, 49-43. Their final victory came when they outscored the Baldwin Park Braves in a 51-40 contest. Their season terminated in a stalemate and a 62-55 defeat at the hands of the Pomona Red Devils.

Vern Browne, Warrior guard copped the most honors by being named to the Warrior Hall of Fame in basketball, taking the "Most Valuable Player" and "Best Free-thrower" awards and getting a berth on the All-Valley team. Jim Nash, lanky center, who just missed the All-Valley team, received the "Outstanding Rebounder" award. The "Outstanding Defensive Player" title went to Joe Settle. Other awards, presented at the Booster Club Banquet were "Most Improved Player", Charles Karlburg; and the "Big E" award, Raul Balderrama.

The hoopsters fought for first place up until the last few games that proved to be fatal if the hoopsters were to take first place. Upset by the Northview Vikings, Covina Colts, and the Pomona Red Devils in the second round led the cagers to fourth place.

## JV Cagers Bounce Up To Third Spot

SPARKED by the fine coaching of Andy Carroll, the JV hoopsters wound up an inspirational season with a non-league 6 win-2 loss record and a 4 win-4 loss league record, putting them in third place.

Composed entirely of sophomores and juniors, the JV's captained by Charlie Lopez and Gene Johnson, began the pre-season by outplaying La Habra 53-41.

Continuing their winning streak, they tallied up four wins over El Monte, Temple City, Charter Oak, and Azusa. Then they suffered three losses to West Covina, 38-37; Upland, 51-36; and Covina, 50-21. In a persistent effort

the JV's bounced right back with three more scalps under their belt when they trounced Los Altos twice, 56-40; and 42-27; and Baldwin Park, 37-33.

Though determined to continue winning, they were outscored by West Covina, 44-45; Upland, 61-45; and Covina, 54-23. Then they dumped Los Altos again, 45-26, and Baldwin Park, 59-45, to climax a thrill-packed season. Awards went to Darrell Folkerson, "Most Improved"; Charlie Lopez, "Most Valuable"; Ed Borden, "Best Defensive"; and Rudy Chavarria, "Best Free-Throw Percentage."

## Fighting B Cagers Finish On Last Rung

TRYING to live up to the reputation of Champs which they had held for the past two years, the B cagers, under the tutelage of Coach Bill Dunn, found themselves on the bottom of the pile, posting a 2 win-12 loss record in league play.

Upon completing a disastrous pre-season schedule with a 1-6 record, the locals were edged out, 44-40, by the Ganesha Giants in their first league tilt. Hosting West Covina next, they were dumped, 31-22, and then nipped, 43-41, by Northview.

For the next eight games, the Papooses again encountered only defeat — first, by Covina, 49-26, and

Los Altos, 22-17, then clobbered by Baldwin Park, 98-27, and Pomona, 40-28.

Captained by Gary Emert and Harry Cornell, the B's began their second round of ML play by bowing to Pomona, 40-28; then they were stomped by Ganesha, 44-31; Northview, 44-31, and Covina, 49-22. The scrappy B's then got up off the floor to nail Los Altos, 36-30, and Baldwin Park, 28-26, but then were tripped up in their final contest by Pomona, 42-29.

Gary Emert was named the B's "Most Valuable," "Outstanding Rebounder," "Best Defensive Player," and Dave Wikse, the "Most Improved."

# C Hoopsters End Season In Fifth Spot

ALTHOUGH hampered by inexperience, Coach Gerry Rose's C hoopsters managed to nab fifth place in the final ML standings with a 3 win-7 loss record.

With a disgusting 0-4 pre-season record, the C midgetmen started league being edged by West Covina, 31-30, turned back by Northview, 32-24, and dumped, 24-19, by Covina. Led by co-captains, Dick Malo and John Velasquez, the C's edged arch-rival Los Altos, 32-30, and upended the Baldwin Park Braves, 26-17, to end the first round of play.

Starting the second half of play, the Lil' Warriors were edged, 26-24, by West Covina; trounced, 32-24, by Northview; 23-14, by Covina, and whipped, 43-30, by Los Altos. The midgetmen then beat Baldwin Park, 26-14, to end their season with a 3 win - 11 loss record.

At the Basketball Boosters' Club Banquet special awards were presented to the following: John Velasquez, the "Most Valuable"; Rolf Funderburk, "Best Free-Throw Percentage"; Dave Jacob, "Most Improved"; and Dave Wikse, Jerry Bogdanoff, "Best Defensive Player."

## Green Frosh D Hoopsters Place Fourth

ALTHOUGH getting off to a slow start winning only one of five pre-season games, the D cagers, coached by Richard Classen and captained by George Schneider and Ray Payne, fought back to nab fourth place in the Montview league standings with a 5 win-5 league loss record.

In their league opener against West Covina, the D's were victors, 22-18, but were downed, 25-13, by Northview and edged by Covina, 32-31. The little cagers then downed arch-rival Los Altos, 25-11; the Baldwin Park Braves, 28-18; before being dropped, 35-39, by Los Altos

in a non-league tussle.

Starting the second half, the D's were edged, 30-27, by West Covina; 30-19, by Fairgrove Junior High in a non-league tilt; upended by Northview, 22-15; Covina, 22-20, in their league clincher. The D's then closed out their season with a 27-16 victory over Sparks Junior High.

**DEDICATED** to service beyond the call of duty, Co-Captains Mike Younger and Al Rumpilla, with Coach Fred Barton's help, aim for high standard for tracksters.

**SHOWING** will power and determination plus desire, Coach Fred Barton's varsity tracksters, captained by Al Rumpilla and Mike Younger, showed they were potentially strong in field events, but were lacking in speed. At Imagaga presstime, season record stands at 0 wins and 2 losses, while the league record is 1 win and 4 losses.

Despite their non-league losses to El Monte, 53-51, and to La Habra, 73 1/2-30 1/2, the individual members of the team turned in outstanding performances and continued to do so even though they were trounced by Ganesha, 85 1/2-18 1/2, and by West Covina, 64-60. Rumpilla ran the 880 in 2:04.7; Maldonado, the mile in 4:55.2; and Nash, the high jump at 5' 8" in a tie with Lopez and Dougherty (WC).

The first league victory came with the disqualification of Northview, followed by two more losses to Covina, 64-40, and Los Altos, cross-town rivals, 60-35. Jose Rodriquez grabbed first place in the high hurdles (15.7); low hurdles (21.6) and the pole vault (10'6"). Zeigler took first in the broad jump with a leap of 20'11 1/2", while Mike Younger hurled the shot put 50'3 1/2".

With all this potential developing, the varsity trackmen did not lose spirit, but instead prepared themselves for the two last meets with Baldwin Park and Pomona, the Prelims and Semi-Finals and Finals when Rumpilla, Younger, Zeigler, and Nash hoped to turn in outstanding performances.

**"NEED** that extra inch!" thinks Warrior pole vaulter, Ed Lookadoo, while winging himself through the air to clear the crossbar.

## Sharp B Trackmen Shoot For ML Title

SPURRED on by the persistence of Co-Captains Jose Rodriquez and Toni Rossi, the B trackmen are headed for a first-place berth and league championship this year. At Imagaga presstime the team has set a non-league record of 0 wins-2 losses and a league record of 4 wins-1 loss.

After having lost their two non-league openers to El Monte, 57-38, and to La Habra, 67-28, the B's surged onward only to be defeated again by Ganesha, 60-35, in their first league play.

Developing rapidly, the team took the next four

straight by edging out West Covina, 50-45, and Northview, 54-41, and by outscoring Covina, 69-26, and Los Altos, 53 $\frac{1}{3}$ -40 $\frac{2}{3}$ . Meets with Baldwin Park and Pomona still remain to be played.

Standouts to be heard from in the prelims, semi-finals, and finals are Captain Toni Rossi in the broad jump, sprints, and shot put, having broken the school record with a put of 52'10"; Charles Lopez, who has also broken the school record in the high jump (5'10 $\frac{1}{2}$ "); Jim Contreras, who has improved in the sprints and relays, Pentrack in the pole vault and Ed Maldonado in the 1320.

**GREAT SPEED** and good form are the basic necessities for B spiker Joe Brines' meet-winning broadjump against the stubborn Northview team competition.

**INSPIRING** the B spikers, Coach Bob Packer with Co-Captains Toni Rossi and Jose Rodriquez start the B's to a strong lead in ML race.

# C Spikers Hold Spirit, Gain Experience

IN SPITE of lack of experience, the C tracksters have been urged on by their Co-Captains Dean Anderson and Danny Stevens. By Imagaga presstime, they have chalked up a non-league record of 0 wins and 2 losses and a league record of 3 wins and 2 losses.

Hampered by injuries as they opened the season, the lightweights were nipped by El Monte, 43½-42½, and outscored by La Habra, 63-23, in pre-league play.

Still not at full strength for their first league meet, the C's bowed to Ganesha, 50½-35½. Gaining momentum

and their second wind, they forged full steam ahead, to win the next three meets against West Covina, 62-24; Northview, 62 2/5 - 23 3/5; and Covina, 51-35. After taking a loss to their arch rivals, Los Altos, 55-31, the midgets looked forward to their final two meets with Baldwin Park and Pomona.

Giving that extra effort for the team was Danny Stevens, who broke the school record for the shot put at 50'4½"; Larry Maddox in the 660 (1:28.5); Mike Maldonado in the 1320, and Dean Anderson in the sprints.

**STARTING** out green, C spikers captained by D. Stevens and D. Anderson learn important lessons under the energetic training of Coach R. Mitchell.

## B's C's Form Nucleus For Firm Future

PILOTED by skipper Roy Wilks, the Warrior varsity swimmers copped a 5 win-2 loss Valley League record, just being nosed out of a three-way tie by Rosemead, 56-30, in their final meet. The B's took a fifth spot, while the C's snagged a fourth place.

After chalking up a 3 win-2 loss non-league record, the Warrior wets swam their way to an almost perfect league season. Having initiated the season with a 71-15 loss to Glendora, they rallied to drown Temple City, 45-40, and Bell Gardens, 64-30. Continuing their winning streak, they outswam Duarte, 72-13; Los Altos, 77-6, and Azusa, 61-23, only to be inched out by a scrappy Rosemead team.

The B mermen ended the season with a 3 win-1 tie-3 loss league record. In the pre-league season, they were first dunked by Glendora, 49-29, and then they tied with Temple City, 39-39. In their next two meets, the B's drowned Bell Gardens, 54-23; Duarte, 66-11, and then torpedoed Los Altos, 39-37. In their final two meets, the sparky B's were sunk by Azusa, 49-28, and by Rosemead, 71-44.

Led by undefeated Breaststroker Bill Smith, the predominantly freshman C squad wound up with a 4 win-3 loss league record. They began the season by being outswum by Glendora, 51-26, but came back to thrash Temple City, 40-37; Bell Gardens, 52-22, and Duarte, 49-28. Then they were outstroked by Los Altos, 42-35, but splashed past Azusa, 52-25, completed the season with a 40-37 loss to Rosemead.

## Varsity Horsehidlers Build To Improve

WARRIOR varsity horsehidlers, with eight more games to go to finish the season, find themselves with a 1 win-5 loss league record, placing near the bottom rung.

Ably coached by mentor Jack Wolfe, the varsity nine opened the pre-league season with a 15-4 pasting by the Azusa Aztecs. This was followed by three losses in a row at the hands of Palmdale, 8-2; Fullerton, 9-1; and Rosemead, 6-0. Then came the Warriors' first victory when they outswung the La Habra Highlanders, 7-6. Traveling to El Rancho next proved to be disastrous for them as the Dons handed them a 11-9 loss.

Sparked by Co-Captains Dan Rockwell and Don Bowman, the varsity fought their way into the '62 league season. In their initial encounter, they were edged by Ganesha, 6-5, in a tough battle all the way. West Covina followed suit by dumping the Warriors, 8-4. They then managed to squeeze by Northview with a 5-4 victory.

Despite their will to win, they were outplayed 8-1, by a rugged Covina nine and nosed out by their rival, Los Altos, 9-8. At presstime, they were upended by Baldwin Park, leaving West Covina out in front, 6-0.

**VARSIITY BASEBALL:** BOTTOM ROW: F. Elmore, S. Steverson, S. Taraskevich, T. Reeves, B. Chairez, H. Frequez, F. Gonzale. SECOND ROW: Coach Wolfe, L.

Marusich, T. Conrad, W. LaCoste, C. Karlberg, G. Galeano, D. Rockwell, D. Bowman, L. Bonhill, mgr.

**JV BASEBALL:** BOTTOM ROW: B. Baumgart, D. Jacob, B. McCraney, P. Quintana, S. Putman, D. Hill, M. Holt, J. Jhl, M. Lujan. SECOND ROW: Coach

Van Zant, J. Galindo, M. Lucio, T. Schwartz, R. Tolleson, J. Fulcher, B. Leon, K. Hall, G. Fellows, R. Kleitz, R. O'Leary, mgr.

## JV Nine Battle To Maintain First Place

COACH George Van Zant's JV horsehidors batted their way to a first place berth in league play as the Imagaga went to press, although their pre-league record looked rather slim.

After being soundly trounced, 7-3, by Azusa in their opener and licked by El Monte, 7-4, the JV nine went on to victory over Fullerton, 7-6. Then being blanked by Rosemead, 6-0, and nipped by La Habra, 7-6, they fought the El Rancho Dons to a 6-6 tie.

Co-Captained by Manual Lujon and Jim Gallindo, the

JV's, as hosts, handed the Ganesha Giants a 4-3 loss. From this point on, the JV nine had it all their own way when they nosed out West Covina, 3-2, thrashed North view, 7-2, and fought a neck-to-neck battle with their rivals, Los Altos, and nipped them 9-8.

With their first round over after facing Baldwin Park and Pomona, they commence their second round, hoping to build up enough good plays to make them champs in the Montview League race to the top of the heap.

**SAFE AT FIRST!** El Rancho's first baser reaches far out to catch the ball as LP's batter speeds his way to a possible run to tie the game.

# Frosh Sluggers Show Future Promise

ENCOURAGED by the fine coaching of Don Edwards, the LaPHS frosh horsehiders had chalked up a 2 win - 1 loss pre-season record and a 3 win-2 loss record in league play by Imagaga presstime. Eight games remain unplayed on the schedule with frosh in a second-place tie.

The green frosh nine began the season by trouncing the Rosemead Panthers, 11-0, in an abbreviated three inning game, then went on to tie La Habra, 2-2.

Captained by Chuck Kurtek and Gary Emert, the frosh jumped into league play and won two straight from West

Covina, 6-2, and from Northview, 22-5. The lightweights then were caught in a slump, being nipped by Covina, 6-5, and by Los Altos, 7-2. Then they jolted Baldwin Park, 20-3.

Since Ganesha and Pomona had no frosh teams, the midgets challenged Los Altos and West Covina four times each. Behind the excellent pitching of Dave Wikse, Curt Morgan, Chuck Kurtek, Gary Emert, and Hank Cornell, the frosh baseballers should improve with each game and will be in there pitching for a CIF championship.

## Combined Netmen Work For Betterment

COACH Jim Calloway's varsity racket men batted out a 1 win-5 loss pre-league record and a 2 win-3 loss league record, placing fourth in league play at press time.

With only one win in six tries under their belts in pre-season matches the netmen went into the league determined to improve their techniques in serving.

Paced by Co-Captains Jerry Keifer and Tim Elliott, the Warrior netmen lost their first two openers to a swift Ganesha team, 18½-13½, and to West Covina, 3-2. They then bounced back to trim Northview, 17½-14½, and their arch rivals, Los Altos, 20-12, but were trounced

by a strong Covina team, 20-7.

Dick Claussen's JV racketmen ground out an encouraging 4 win-4 loss pre-season record and a 2 win-2 loss league record, putting them in third place at press time.

After their 4-4 pre-league matches were over, the JV's spurred on by their skill in techniques of handling the ball, went into league play with high hopes of nearing the top at the end of the season.

Though West Covina outplayed them, 22-10, in their opener, they fought back to drub Northview, 27½-4½, to blank Los Altos, 32-0, but lost to Covina, 28½-3½.

**MEETING** a smashing serve Netman Tim Elliott applies perfect stance and timing to give his return the powerful drive necessary.

# Last Word

Though at times it seemed improbable, with this final page we've done it — sent the 1962 **IMAGAGA** to press. With it go immeasurable hours of labor, lost sleep, deadline battle wounds, and much more.

To you, the students, this book encloses within its covers, the record of the 1961-62 school year at LaPHS. To us, the editors, it represents an experience which began with an honor and confidence bestowed and a challenge accepted. The meat of the experience came with the work demanded by the necessity of layouts, picture schedules, meeting deadlines, which were much too close together, and which came too soon, and all the other hidden toils entailed in putting out a yearbook. The experience neared its end with the walk in the rain for the editors' picture, the Publication Club Banquet, the presentation of the **IMAGAGA** to the student body and Senior Honors night. With graduation, the experience ended and was committed to two memories which will always hold it firm.

To those who shared a part in the production of this book, we owe our gratitude and thanks. Especially, we thank **Melanie Workman**, **Terijune Leffa**, and **Marie Wilson** who spent extra hours on Saturday and holidays writing captions, copy, and simply filling in where they were much needed. To the remainder of the staff, **Cindy Beck**, **Elaine Crismon**, **Georgeann Clark**, **Nancy Gallie**, **Diane Hinkle**, **Sharon Johnson**, **Barbara Morriss**, **Dee Santiago**, **Diane Shattler**, **Dee Tappy**, **Pat Rivenburg**, and the sports writers **Joe Arroquin**, **Eddie Calderon**, **Richard Cervantes**, **George Cox**, **Curt Morgan**, **Richard Parrott**, and **Mike Vasquez**, we give recognition for their devout efforts. Thanks to **Richard Cordes**, though not a member of the staff, who filled in where needed, writing captions and typing. Each word that goes to the printer must be in type. Thus, the importance of our typists, **Kathy Richardson** and **Ernie Higuera** was incalculable. To the business staff, **Bunny Meekhof**, manager, **Rudy O'Clary** and **Chris Loya**, we extend our appreciation for their undertaking of the difficult task of contracting ads. **Kenneth Jones**, business adviser, and his assistants are deserving of thanks for their excellent handling of Imagaga orders and money transactions.

Without photographers, we would be without pictures and thus without an annual. So, to **Bob Watson** of **J. Edmund Watson Studios** and his assistant **Paul Morris**, we extend our deep appreciation for their patience on rugged picture schedules, understanding, helpfulness, and excellent quality photographs. Covering the majority of campus activities and events were the school photographers, **Wayne Boles**, **Mike Jacob** and **Walter Boles**, directed by their skillful photography adviser, **Roquell Capps**. To them we extend our deep gratitude for their innumerable hours spent in taking, preparing and prompt delivery of fine pictures. Their never-failing compliance with our demands marked each of our photographs with a special invaluable quality. Credit is due **William Fontenrose** for his expert advice and assistance with the color, design and art work of the book and to **Richard Mena**, whose interest and artistic ability helped produce a "different" and good-looking cover. Rating our appreciation for his willing and competent help on the theme, writing of the foreword and division pages "squibs" is **Mel Harrison**. Thanks to **Al Green and Associates** for their help in selecting and lending of the "In Memoriam" picture. To **Smith-Crafted** book cover company we extend our thanks for their excellent reproduction of our cover design and suggestions concerning artistic layout. **Walter Hubbell** and the **Taylor Publishing Company** rate special thanks for their patient and constant effort to comply with our wishes, understand our layouts and deliver the book on time.

To ASB adviser, **Gordon Kean**, Principal **James A. Faul** and Superintendent **Glen A. Wilson** we extend our gratitude for their co-operation and administrative assistance toward the production of this book.

The acknowledgements are complete with the exception of **Mrs. Kathleen Jorgenson**, adviser to the **IMAGAGA**. At this point, mere words of appreciation and praise are inadequate. It was only through her expert and unwavering guidance that this book saw completion. Somehow she was able to laugh and unconsciously encourage us when we felt the impossibility of meeting deadlines or coming out of the whole thing alive. To her we give our most deep and sincere thank you.

For us, the **IMAGAGA** editors, the sometimes gruelling, demanding and tiresome experience was also an enriching and highly valued one, which we may not wish to encounter soon again but one we are glad we knew.

**IMAGAGA CO-EDITORS**

**"THROUGH RAIN, SHINE, SLEET, OR SNOW"** Imagaga Co-Editors Marge Millsap and Karen Horst work on to meet their deadlines. Finally after months of

scheduling pictures, making layouts and copy, and biting their nails, the **1962 IMAGAGA** goes to press and they smilingly join the ranks of past editors.
